Student Progress

C

22.1 out of 60 points

0 60

The student progress grade is based on the *change in student scores* on state tests in English Language Arts and Math between 2012 and 2013, compared to other students in the City who started at the same level.

Student Performance

B

15.1 out of 25 points

0 25

The student performance grade is based on the results of students in your school on 2013 state tests in English Language Arts and Math.

School Environment

B

13.0 out of 15 points

0 15

The school environment grade is based on *student attendance* and your school's *NYC School Survey* , where parents, teachers, and students in grades 6 and older rate academic expectations, safety and respect, communication, and engagement.

The NYC School Progress Report informs families about the school's strengths and weaknesses, emphasizing how far students have come in the past year. Progress Report grades are made up of three sections: student progress, student performance, and school environment. In each section, your school's results are compared to the results of other schools serving similar students. To view your school's Progress Report in detail, visit the Progress Report website at:
