SCHOOL ALLOCATION MEMORANDUM NO. 07, FY 14

DATE: **May 24, 2013**

TO: **Community Superintendents**
High School Superintendents
Children First Networks
School Principals

FROM: **Michael Tragale, Chief Financial Officer**

SUBJECT: **Summer Instructional Program**

Schools have the authority and associated dollars to develop and implement their own summer school programs designed to meet the needs of their students. In keeping with the goal of supporting student needs in a 12-month school year, the funding methodology for summer 2013 uses a per capita allocation. All schools will be allocated summer program tax levy funds for all students based on the school's audited 10/31/12 register. Schools serving grades 3-8 will receive an additional tax levy per capita allocation based on the number of students mandated to attend summer school in 2013, who attended one (1) or more days (at an applied attendance factor of 80%). Initially, schools will receive an allocation based on the number of students mandated in 2012 who attended one (1) or more days (at an applied attendance factor of 80%). This allocation will be updated in June to include additional mandated students based upon results of the NYS exams. For high schools, this additional allocation will be based on the number of summer 2012 mandated students who attended summer school 2012 for at least 10 days, (at an applied attendance factor of 100%).

Updated Allocation

For schools with grades 3-8, the allocation has been updated to reflect the identified students mandated to attend summer school for FY 14. If a school's amount of actual mandated students increased in comparison to their initial projection of mandated students, then the school received an increase for these students. If a school's amount of actual mandated students decreased in comparison to their initial projection of mandated students, then the school will maintain their initial allocation with no financial consequences.

For schools with grades 9-12, the allocation has been updated to reflect additional students identified for summer school for FY 14. Schools whose allocation fell below the total allocation for

FY 13 will receive an additional allocation of 90% of the difference, based on the number of students from FY 13 who did not meet promotion standards and attended ten days or more.

As needs are determined, certain funds are reserved as set–asides in the summer school spending plan and will be released throughout the summer to cover specific summer school services, such as secretaries, mandated APs, and IEP Paraprofessionals.

The Children First Network teams will work with schools on scheduling these allocations. The set–asides are outlined in Table 1. Programmatic information for summer school is provided by the Office of School Support / Division of Academics, Performance and Support.

School per capita funding will be allocated to schools in the **TL Summer School Shared** allocation category and can be transferred between schools for shared services as required via the School Transfer Request function in Galaxy. Such transfers should only be for services which cannot be itinerant on schools' Tables of Organization.

Examples of shared services include those where:

- Principals decide to collaborate with other schools on the given service;
- Funds are transferred from a school or group of schools to a host school or payroll site for payroll and timekeeping purposes for a given service; or
- Services are clustered for many schools.
