SCHOOL ALLOCATION MEMORANDUM NO. 10, FY 15

DATE: **June 3, 2014** ***Revised June 24, 2014***

TO: **Community Superintendents**
High School Superintendents
Children First Networks
School Principals

FROM: **Raymond J. Orlando, Chief Financial Officer**

SUBJECT: **New York State Textbook Law (NYSTL), Library, Hardware, and Computer Software (NYSSL) Funds**

State Aid provides funds for Textbooks, Library Books, Computer Software and Hardware to help improve technology and instructional aids at schools. Each funding stream has a specific purpose as detailed below. The attached table presents the allocations per school. Allocations are final and will not be adjusted later in the year based on register changes.

Purchases must be approved NYSTL eligible items, as indicated in the ShopDOE catalogue. Certain Microsoft and anti-virus software programs will be purchased centrally and be available to all schools, at no cost. State Software revenue will be set-aside to cover the cost of the related contracts.

Under the New York State Textbook Law (NYSTL), and New York State Software Law (NYSSL) the State provides aid at the lesser of:

- A per capita amount based on the prior year's enrollment multiplied by the State's per pupil rate, or
- The prior year's expenditure. FY14 expenditures are expected to be high enough to optimize the State formula, i.e., receive aid via the State per capita method.
- Allocations to schools are based on a per-capita rate as follows:

  - **NYS Software $10.17**
  - **NYS Hardware $11.40**
  - **NYS Library Books 6.15**
  - **NYSTL Textbooks $57.21**

SCHOOL REGISTER DATA

- The registers used to develop the allocation are based on the October 31 audit, plus known restructurings for additional grades.
- Schools in the process of phasing-out will receive their allocation based on the school's audited register, with no reduction for changes in this year's projected registers.
- New school allocations are based on their projected registers for FY15.

FLEXIBLE AND FIXED FUNDING

For FY15, NYSTL Textbook, Hardware and Software funds can continue to be used interchangeably. Although the distinct allocation categories are being maintained in Galaxy in the initial allocation, schools can modify the auto-scheduled items in these allocation categories into any of the other NYSTL titles.

NYSTL Library funds must be maintained as auto-scheduled in Galaxy in the title "Library Books" and cannot be modified. However, NYSTL Hardware, Software and Textbook can be utilized to purchase library books. The title "Library Books" is included in the cost factors for these allocation categories in Galaxy.

CORE CURRICULUM

NYSTL aid (Textbook, Hardware & Software) will be used to offset Core Curriculum costs for participating schools with **K-8 grades**. Because the NYCDOE is not incorporating any new materials into K-8 Core Curriculum, it is expected that each school's NYSTL allocation will cover the costs necessary to maintain existing Mathematics, English Language Arts (ELA), Science, and Social Studies curriculum. However, some schools may exceed their allocations because they are new participants in Core Curriculum, have added the Core Curriculum to new grades and/or classrooms, have opted to expand from ELA or Mathematics to both subject areas, or have register growth greater than the student counts used in the NYSTL allocation. Schools with these situations will be able to obtain materials for their students from Core Curriculum beyond their NYSTL allocation but will need approval to do so. Participating schools switching programs within Core Curriculum will not have the costs covered by the NYCDOE. Schools making Core Curriculum purchases that do not use all of their NYSTL aid will receive the balance of the funds.

Please note that due to recent revisions to some Expeditionary Learning Grade 4 and 5 modules as well as adjustments in some Pearson ReadyGen trade book pricing, schools purchasing these materials will receive a credit to their NYSTL balances. The value of this credit is reflected in the attached table. Schools that originally spent more than their NYSTL allocation and now have a positive balance due to the credit are also included in the table. Schools that spent more than their NYSTL allocation and still reflect a negative balance once issued the credit are not included in the attached table. Schools may communicate with their Network and Cluster points to confirm the details of how the credit affects their NYSTL balance.

Overview of the Ordering Process for FY15

The steps below outline key pieces of the ordering process.

1. **All K-8** schools were asked to either opt in or opt out of Core Curriculum.
    a. **Opt in:** Schools opted-in if they intended to purchase some or all materials through Core Curriculum, including materials to maintain existing Core Curriculum programs. Schools that opted-in to place orders saw their NYSTL allocation (Textbook, Hardware and Software) as the balance available for placing orders.
    b. **Opt out:** Schools opted-out if they did not want to purchase any materials through Core Curriculum and wished to receive the full balance of their NYSTL

allocation now, when the initial allocations are issued, in order to purchase materials outside of Core Curriculum.

2. Schools that opted-in ordered materials and their available balances decreased as they added items to their shopping cart.
3. While NYSTL allocations will cover expenses for the majority of schools, some schools exceeded their allocations. Schools that exceeded their allocations continued to place orders and indicated the reason why the order exceeded the available balance within the ordering tool. These orders required network, cluster, and central validation.
4. After ordering, principals were able to indicate if they had completed all Core Curriculum ordering (indicating that their NYSTL balance should be returned), or whether they would like to reserve the balance for residual ordering (e.g. for new students, etc.). Balances will be returned to schools as follows:
    a. Where schools have indicated that ordering is complete, funds will be returned to schools after available balances are confirmed in late June. Funds will be allocated in the following allocation categories: **TL NYSTL Textbooks** , **TL NYSTL Textbooks HS** or **TL NYSTL Textbooks CW.**
    b. Where schools have indicated that available balances should be reserved for residual ordering, funds will be returned after residual ordering is completed and available balances are confirmed. This process will continue through the summer and the completion of residual ordering in the Fall.

EARLY ORDERING

In order to facilitate all schools purchasing of textbooks, hardware, and computer software for the start of school, the NYSTL allocations for High Schools and for schools with K-8 grades that opted-out of the Core Curriculum ordering process (as described above) have been allocated and auto-scheduled in the appropriate object code on each school's Table of Organization in Galaxy. Funds were available for spending via the FAMIS Portal on May 21st, in advance of the release of the initial allocations. The NYSTL allocation for library books has likewise been allocated and auto-scheduled for all schools.

ALLOCATION CATEGORIES

Funds have been auto-scheduled in the appropriate object code on each school's Table of Organization in Galaxy in the following categories:

Elementary/ Middle Schools	High Schools/District 79	Citywide (District 97)
TL NYSTL Hardware	TL NYSTL Hardware HS	TL NYSTL Hardware CW
TL NYSTL Library Books	TL NYSTL Library Books HS	TL NYSTL Library Books CW
TL NYSTL Software	TL NYSTL Software HS	TL NYSTL Software CW
TL NYSTL Textbooks	TL NYSTL Textbooks HS	TL NYSTL Textbooks CW
