School Overview

Our mission at Renaissance Leadership Academy (RLA) is to welcome learners who have broad intellectual interests. Our focus is to offer an environment where our RLA scholars are encouraged to develop their wide spectrum of knowledge. Rather than narrowly specializing in one academic area, therefore limiting their adolescent curiosity, RLA supports our scholars' intense desire to know and understand. At RLA, we understand that our scholars' development and learning are inextricably linked. As a result, we provide them with an environment that promotes their overall adolescent development and demands academic excellence. Though we are a very small school, we offer our students an abundance of professional opportunities and experiences. Our students travel and get real-life experience to support what they are learning in class. ...
