School Overview

Our school emphasizes the study of American history and offers a comprehensive and challenging academic program. Our goal is to prepare students for highly competitive colleges and for a wide range of careers. Students can access Lehman College campus library and athletic facilities as well as college classes and seminars. Our aim is to make all subjects come alive by using primary source documents, films, biographies, literature and creative teaching techniques. Supported by the Gilder Lehrman Institute, students gain first-hand knowledge of key events in American history through trips to sites of historic importance and participation in seminars with guest speakers. In all of our endeavors, we seek to encourage in our students a love for learning and an inquisitive spirit.
