Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2014 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprint.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
Our goal is to provide students with a meaningful and well-rounded arts based curriculum. Each student participates in a production which is presented to family. This insures that all students have an opportunity to dance and perform for an audience. We have a full time visual arts teacher who implements lessons that integrate various content areas. For a third year we have our CCAST (Cadwallader Colden After School Theater) program. This program allows us to perform a annual musical theater production. This year we performed Artistocats Kids. Approximately 40 students (performers, art/set design and stage crew) were provided with a 20 week after school program and are involved in this full scale production which was presented to family, friends and the community in the spring. This performance assists us in sustaining the CCAST program for the following year. We will continue to utilize all available resources for a continued comprehensive arts education program.
