Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2015 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprint.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
PS 69 is proud to be named The Vincent D. Grippo School in honor of the late superintendent of Community District 20. In addition to a rigorous academic education, PS 69 provides a highly rigorous arts environment. All students experience deep and challenging curricula in visual arts, music, dance and theater programming which is provided by skilled professionals. All curricula is developed in alignment with the Blueprints for the Arts, Common Core Standards and Danielson's Framework. Additionally, PS 69 is pioneering the development and use of formative assessments in the visual arts.

Chancellor Carmen Farina has designated P.S. 69 as a Showcase School for Integrating the Arts for Student Success. During a Showcase visit, educators learned how to naturally infuse literacy in the arts, saw systems and structures that bring arts programming to all students and understood how to use the arts to bolster early language acquisition. Each experience helped to build a student's ability to read, write, listen and speak, which helps them to be successful in all areas.

Our Visual Arts Teacher, Angela Fremont, was selected as a Model Teacher. Her art studio serves as a laboratory and resource to support the professional growth of colleagues throughout the city. Working closely with other teacher leaders, Ms. Fremont is a resource to other teachers by demonstrating effective teaching strategies.
