Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2015 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprint.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
Our arts program follows the New York City blueprint which is grounded in the national and New York State learning strands. These strands guide teachers in addressing specific learning goals for students. They also provide the guidelines for offering a diverse visual art, dance and musical experience. The visual arts program is structured around the art making strand of the blueprint. Our artists are given the opportunity to work in different media, including painting, drawing, collage,sculpture and printmaking. Our music program provides our students with many opportunities to express themselves through music, theater and dance. Students in grade 7-8 have the opportunity to participate in the school instrumental band program, grade 2 violin program, grade 3 recorder, grade PreK-3 music and movement, grade 4 storytelling, grade 5 Musical Theater, grade 8 keyboard program. Students in grades 5 & 6 are working with Teaching Artists from LEAP on engineering project called "Tomorrow's Entrepreneurs".
