Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2015 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprint.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
Talent Unlimited High School's arts program seeks to educate, empower, and prepare students for work in the professional world of the arts and beyond. Our school provides students with a sequential and scaffolded series of knowledge, skills, and experiences designed to train them in the discipline of the artist while equipping them with a vast array of analytical and creative skills which cross over into the professional world of work. Talent Unlimited High School believes the goal of training students in the arts transcends the art form itself. We endeavor to prepare our students for the rigors of any professional work environment through disciplined arts training coupled with an uncompromising academic education. Students in their Junior & Senior year have numerous internship opportunities with various art industries throughout NYC. Our faculty works closely with various arts organizations and art professionals: Metropolitan Opera, Classic Stage Company, Paley Center for Media, TDF, Martha Graham Dance Company, Western Wind Vocal Ensemble, Metropolitan Museum of Art, and American Folk Art Museum.
