Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2015 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprint.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
P.S 143Q is dedicated to immersing each and every child in the arts. Our certified visual arts, music and dance teachers meet weekly with many students and use the NYC Blueprint for Teaching and Learning in the Arts as a framework for the development of lessons. Our arts clubs, including Glee Club, Dance Club, Violin Club, Ballroom Dancing Club, and Young Players Theater Group, encourage our students to explore and share their talents. Our strong partnerships with arts organizations support our vision for the arts. The community gathers to see student performances, which include venues at our own school and at Carnegie Hall. We are continuing to grow our arts program and are committed to supporting our students by providing them with an enriching, comprehensive arts education.
