Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2016 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprints.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the **elementary level**, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the **middle school level**, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the **high school level**, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
At PS23 we are committed to providing our students access to a wide variety of arts programming. This year we focused on dance, theatre and visual arts. This is our fifth year providing art residencies for our students. Students in 1st through 5th grade participated in our LEAP art program. Our fifth grade will be going to see Matilda on Broadway. This year we were able to bring a music teacher to teach guitar to our 3,4 & 5th grade students. Thirty students were chosen through a lottery process to participate in this after school activity. Our goals are to provide more resources for our teachers to become facilitators for various art disciplines. Our art classroom is equipped to provide visual art instruction to all classes. In addition, we plan to bring more music and dance instruction to the school, of course pending funding.
