Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2016 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprints.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the **elementary level**, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the **middle school level**, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the **high school level**, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
PS 19Q is committed to providing our students with quality arts instruction. As a result we have established partnerships with arts organizations to expand our offerings and align quality arts instruction into our curriculum. In addition to our Visual Arts and Music teachers, we have partnered with the ArtsConnection, the 92nd Street Y, the New York Philharmonic, Flamenco Vivo Carlota Santana, the Town Hall Foundation and Tolerance in Multimedia Education among many others to augment classroom instruction. Our dance partnerships with ArtsConnection, and Flamenco Vivo Carlota Santana culminated in sharing sessions, to which parents were invited to showcase our students' talent. Kindergarten classes participating in the ArtsConnection's Theatre and Visual Arts residency had the opportunity to share their learning with their friends and families on stage. As a large school with almost 2,000 students, PS 19Q maximizes all resources and opportunities to expose our children to the Arts available in New York City. Our students and their families benefit from the cultural arts, museums, theaters and institutions, with 320 field trips during 2015-2016.
