Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2016 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprints.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the **elementary level**, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the **middle school level**, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the **high school level**, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
Our art teacher serviced Visual Arts to grades Pre-K through grade 5. She based her lessons upon NYC DOE Blueprint for Teaching and Learning in Visual Arts. Final products are published on Artsonia, which is an online Art Museum.

P.S. 54's music program serves grades Pre-Kindergarten through Fifth Grade. Grades PreK and K receive Music and Movement which includes movement activities, small percussion and singing. Grades 1, 2, and 3 receive either recorder class, vocal class, or keyboard class depending on scheduling and location. Grades 4 and 5 are Modern Band guitar classes. A traditional two-level band program is offered after school for
grades 4 and 5.

Students in grades Pre K through 2 are working towards mastering the Benchmarks for Theater for Grade 2 by activating and using their imaginations and exploring the use of the actor's tools – body, voice and imagination. Using literacy as their source, students participate in group, partner and individual activities which include dramatic play, storytelling, puppetry, music, and dance. All activities are embedded in the ELA CCSS for the appropriate grade level.
Students in grades 3 through 5 are working towards mastering the Benchmarks for Theater for Grade 5. Students exercise and refine the actor's instrument—the body, voice and mind—through ongoing exploration of the physical, vocal, characterization and staging components of acting. Using plays as their source, students participate in group and partner activities which include tableau, improvisation, pantomim
