Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2016 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprints.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the **elementary level**, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the **middle school level**, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the **high school level**, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
Bronx Envision Academy embraces the arts throughout the curriculum. Students have the opportunity to take up to two arts courses each semester, and we encourage students to explore an arts discipline in depth to prepare for the New York City Commencement Level Arts Examinations. One quarter of graduates from our first class graduated with an arts endorsed diploma. Elective offerings include visual art, theater, dance, music, chorus, and creative writing. We also offer summer honors arts courses in visual art and theater. Students participate in artist residencies with arts organizations Community Word-Project, Dreamyard, Hawley Hussey Arts, and Urban Dance League. We are also proud partners with the Park Avenue Armory, providing access to high quality arts performances and exhibitions for beginning and advanced students and paid internships for advanced students. Teachers are trained in Visual Thinking Strategies, and students discuss works of art on a regular basis. Because the arts are central to Bronx Envision's core beliefs about how students learn best, BEA has recruited accomplished faculty with strong arts backgrounds. As a result, we offer many arts clubs during and after school. Current offerings include mural-making, anime, photography, musical theater, dance company, art, music production and DJing.
