Each year, the NYC Department of Education and Cooper Hewitt, Smithsonian Design Museum partner on a cover design competition for public high school students. This directory's cover was designed by Marilin Pantoja, a student at LaGuardia High School. For more information, ask your art teacher or visit **schools.nyc.gov/coverdesign.**

District 22

2017 New York City MIDDLE SCHOOL DIRECTORY

The information in this directory is accurate at the time of publication, but may be subject to change. For the most up-to-date information, contact middle schools directly. Maps: Certain middle school zones cross district lines. This means you may be zoned to a middle school in a district different from the one in which your house appears on the map in this directory. To determine your zoned middle school, visit **schools.nyc.gov/schoolsearch**.

It is the policy of the New York City Department of Education to provide equal educational opportunities without regard to actual or perceived race, color, religion, age, creed, ethnicity, national origin, alienage, citizenship status, disability, weight, gender (sex) or sexual orientation, and to maintain an environment free of harassment on the basis of any of these grounds, including sexual harassment or retaliation. Inquiries regarding compliance with appropriate laws may be directed to: Director, Office of Equal Opportunity, 65 Court Street, Room 1102, Brooklyn, New York 11201. Telephone 718-935-3320.

ACTION STEPS CHECKLIST

Use this Action Steps Checklist to plan out your fifth-grade year.
Check the exact deadlines with your guidance counselor.

SEPTEMBER

- [ ] Review the Middle School Directory.
- [ ] Meet with your guidance counselor to discuss your middle school options and the Request for Testing (RFT) form where applicable.
- [ ] Contact schools of interest about open houses, information sessions, and audition dates.
- [ ] Check the middle school website for important dates: **schools.nyc.gov/middle**.
- [ ] Attend the District Middle School Fairs.

OCTOBER

- [ ] Attend the District Middle School Fairs.
- [ ] Return RFT to your guidance counselor, if applicable.
- [ ] Attend information sessions and open houses.
- [ ] Review Admissions Priorities for each school.

NOVEMBER

- [ ] Receive the Middle School Application.
- [ ] Check your commute for schools of interest.
- [ ] Get your application ready:
  - Rank the schools you are interested in attending.
  - Sign and make a copy of the application.

DECEMBER

- [ ] Submit your completed application to your guidance counselor by Thursday, December 1, 2016.

JANUARY/ FEBRUARY

- [ ] Attend auditions and interviews.
- [ ] Complete school-based assessments and/or portfolios.

MARCH

- [ ] Receive and return New Middle Schools Application to guidance counselor (optional).

APRIL

- [ ] Middle school results letters distributed to families by guidance counselors.

MAY

- [ ] Students who submitted a New Middle Schools Application and received two matches, return notification letter to guidance counselor with choice of which match to accept.
- [ ] Students who wish to appeal must also return notification letter to their school, then return completed Appeal Application.

JUNE

- [ ] Middle School appeal results distributed to families.

WELCOME

TO MIDDLE SCHOOL ADMISSIONS

Middle school is a new and exciting time for children and families. Residents of New York City are able to apply to a wide range of middle school options that offer children a rich variety of opportunities to explore their interests. It is our hope that this directory will help you find a school that suits your child's needs, interests, and aspirations during this exciting and important time.

This directory contains information about all public middle schools that are open to students and residents in this district. This introduction will guide you through Middle School Admissions, from learning about schools to submitting your application.

These additional resources will also help in your Middle School Admissions journey.

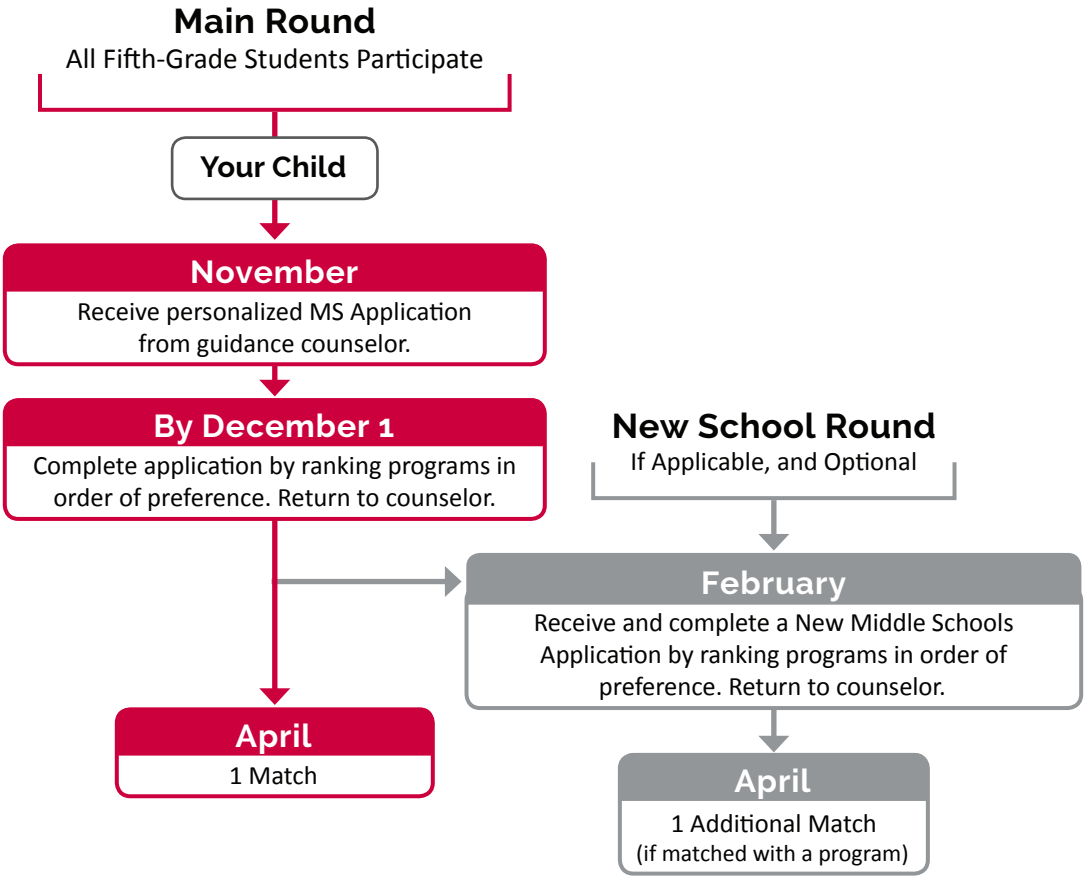
Receive admissions and enrollment help from a Family Welcome Center staff member. Family Welcome Center locations are listed on the inside back cover of this directory.

1.0 HOW DO I PARTICIPATE IN MIDDLE SCHOOL ADMISSIONS?

Receiving My Application

In order to participate in Middle School Admissions, you must submit a Middle School Application by Thursday, December 1, 2016. The application will be personalized for your child and includes all of the middle school programs to which your child may apply.



If your child is eligible for any new NYC Department of Education schools or programs, you will be invited through your child's guidance counselor to apply to these programs in February. Applying is optional. If your child receives a match to a new school or program, you will have to choose between your new school match and your main round match.

A match means the student has received a placement in that program for the following school year. Most students are matched to one of the programs ranked on their Middle School Application, although it is not guaranteed. If your child does not match to one of the programs ranked on his or her application, s/he will receive a placement in a school where s/he is eligible to attend middle school. This could be either: (1) a school in the district to which s/he is zoned to attend middle school or, when different, (2) the district where s/he attends public elementary school.

What happens if my child is not currently enrolled at a New York City public school?

Students not currently enrolled in a New York City public school—which means students currently attending a private or parochial school or new to New York City—will need to

request an application for the district in which they live from a Family Welcome Center. When you request an application, provide the Family Welcome Center with a 2016 report card from your child's school with grades, attendance, and academic and personal behavior competencies so that they may be included as part of the admissions process.

Private and parochial students are eligible to attend middle school in the district in which they are zoned for middle school or any programs open to their borough or New York City.

See the inside of the back cover for a list of Family Welcome Center locations.

Completing My Application

All New York City public elementary school fifth graders receive a personalized application from their current school in November. This application will contain information about the student and will list all of the middle schools to which that student may apply.

To complete your child's Middle School Application, you will need to review parts 1, 2, and 3, rank schools in part 5, and sign and date the application in part 6.

Reviewing the Application

NYC Department of Education

2017 APPLICATION FOR ADMISSION TO MIDDLE SCHOOL

1 STUDENT INFORMATION
Parent/Student: Please review the information below carefully. Contact personnel at your current school to update information on this page.

Student Name	Student ID #	Date of Birth	Gender
Frances Wood	123456789	1/1/2006	F
Home Address	**Apt.#**	**Borough**	**Zip Code**
123 City Avenue	14	Brooklyn	11222

Local Zoned Middle School: 99A123 City Lane School

Parent/Guardian Name: Doris Wood — Telephone: 555-555-5555

2 ACADEMIC INFORMATION
Parent/Student: Please review the information below carefully. Contact personnel at your current school to update information on this page.

Current Grade: 5 — Official Class: 501 — Current School: Brooklyn Academy

Standardized Tests:

ELA: Test Date: SP/2016 Score: 300 Performance Rating: 2.90

MATH: Test Date: SP/2016 Score: 305 Performance Rating: 2.95

Entitled to Special Education Services: ICT

Entitled to Bilingual/ENL Services:

NYSESLAT Test Date: SP 2016 Level: ENTRY

Years in English Language School: 0-1 YEARS Home Language: POLISH

3 ACADEMIC ASSESSMENT – FOR SCHOOL USE ONLY
Middle School Liaison: This section will be pre-populated with the student's academic information from STARS.
1) Please verify that the student biographical information (e.g. address) and the student attendance are updated in ATS.
2) Please verify that the final June 2016 report card grades and academic and personal behaviors are correct in STARS.

FINAL JUNE 2016 REPORT CARD GRADES

Course Name	Grade
Math	1
English Language Arts	4
Social Studies	3
Science	2
Art	3
Music	3
Health	
Physical Education	2
Technology	

ACADEMIC AND PERSONAL BEHAVIORS

Academic and Personal Behaviors Competency	Grade
Time Management & Independence	1
Organization	3
Perseverance	4
Asks for help	2
Respects School Rules & Collaboration	3

Attendance in ATS: Days Absent: 7 Days Late: 9

Extenuating circumstances for absence and lateness? ❑ Yes ❑ No

If Yes, please check all that apply:
❑ Due to Illness ❑ Due to Family Circumstances
❑ Lateness Excused

4 MIDDLE SCHOOL LIAISON NAME & SIGNATURE
I certify that I have reviewed the information on this application and believe it to be accurately and correctly completed. Please note that a copy of this application must be retained for six years including the year of application per Chancellor's Regulation A-820 and NYSED Records Retention and Disposition Schedule ED-1.

Middle School Liaison Name (please print) Middle School Liaison Signature Date

Page 1 of 4

Part 1
Student Information: Student information printed here comes directly from your child's current school.

Part 2
Academic Information: The academic information printed in this part (including your child's most recent standardized test scores and special needs information) comes from your child's current school.

Part 3
Academic Assessment: For School Use Only: This part will be pre-populated with your child's 4th grade report card, academic and personal behavior competencies, and last year's attendance record.

Make sure that information for parts 1, 2, and 3 is correct. If any information needs to be updated, please contact your elementary school.

Ranking Your Programs

In part 5 of the application, you will rank all of the middle school programs your child is interested in attending, in your order of preference. You should rank the program you most want your child to attend with a "1"; your second choice with a "2"; and so on. You may rank up to 12 programs on your application. Do not write in other programs because they will not be considered.

5 MIDDLE SCHOOL OPTIONS
Parent/Student: Please read the instructions below carefully before completing your application.

This "1" means that this is the program the student is most interested in attending.

Choice Number	District	Program Code	School Name/Program Name
2	1	M378L	School for Global Leaders
3	21	K239CM	Mark Twain (I.S. 239) Magnet Program - Computer/Math
1	21	K239VO	Mark Twain (I.S. 239) Magnet Program - Vocal
	1	M332S	University Neighborhood Middle School
4	1	M140S	The Nathan Straus Preparatory School of Humanities (P.S. 140)
	1	M301S	Technology, Arts, and Sciences Studio

SAMPLE

TIP

After ranking your favorite programs, rank other programs you'd prefer over your least favorite programs. Remember, if you do not match to a program you've ranked, you will be matched to a program with availability in your district.

Signing and Submitting My Application

Applications must be signed and dated in part 6. Return the completed application to your child's middle school guidance counselor by Thursday, December 1, 2016.

6 PARENT/GUARDIAN NAME & SIGNATURE
Applications must be signed and dated.

Parent/Guardian Name (please print) | Parent/Guardian Signature | Date

Schools Not on Your Middle School Application

School-Based Application Schools: Some middle schools in this directory have a school-based application process. These schools do not participate in Middle School Admissions and will not be listed on your child's Middle School Application. Schools with their own application processes will not have any program information listed on their directory school page. Please contact these schools directly or visit the school's website for more information about how to apply.

Charter Schools: Charter schools manage their own admissions, and will not be on your application. If you are interested in any charter schools, please contact them directly for more information about how to apply. For more information on charter schools, please see section 5.3 "Charter Schools."

2.0 HOW DO I USE THE MIDDLE SCHOOL DIRECTORY?

When looking for middle school programs to apply to, it is important to think about what will help your child learn and grow. Start by thinking about what matters to you and keep this in mind as you explore schools and programs in this directory.

This sample school page below shows you what a typical Middle School Directory school page looks like and includes all the information you want to review. Keep reading to learn how to use each section.

Learn more in section 2.1 "School Overview"

Learn more in section 3.0 "How Are Middle School Matches Made?"

Learn more in section 2.2 "School Performance"

Learn more in section 2.3 "School Information"

City Lane School (I.S. 123) | 99A123

Students at I.S. 123 benefit from engaging and high-quality classroom instruction alongside exciting extracurricular activities. Our curriculum promotes academic achievement, social development, and leadership skills. Students enjoy the personalized attention they receive in our small and nurturing classrooms. Our teachers work to develop an educational experience based on the unique needs of each student. Parents appreciate that our school is small, personable and fosters the intellectual and social growth of our students. We strive for academic excellence and believe that every child can and will succeed academically.

2.1 School Overview

Use this section to learn about a school's vision and basic information. When reviewing this section, you should do the following:

Learn about the school's site accessibility. For more information on accessibility, please see section 5.1 "Accessibility."

Use the school's contact information to reach the school to ask questions and learn when you can visit an open house.

BOROUGHWIDE SCHOOL
Neighborhood: Downtown
Address: 1738 City Lane, Brooklyn, NY 99999
Shared Building: No
Site Accessibility: Accessible
Contact Name: Ms. Johnson, Principal
Email: example@schools.nyc.gov
Phone: 718-555-5555
Website:
schools.nyc.gov/choicesenrollment/middle
Subway: X, Y, Z to City Lane
Bus: B25, B26, B44

See if it is a Zoned, District, Boroughwide, or Citywide middle school.

- **Zoned Schools:** Open only to students residing in the zone.
- **District Schools:** Have one or more programs open to students or residents of the district.
- **Boroughwide Schools:** Have one or more programs open to students or residents of the borough.
- **Citywide Schools:** Open to residents of New York City.

School Location and Transportation

It is important to consider where schools are located in relation to your home. In section 6.1 "District Middle School Map," there is a map that shows the location of all the middle schools in this district. The map includes all middle schools in the district, including middle schools that you would apply to through Middle School Admissions, charter schools that have a separate admissions process, and schools that require a school-based application, if applicable. Research your child's train and bus route options for schools of interest.

For a summary of student transportation, please see section 5.7 "Student Transportation."

2.2 School Performance

Use this section to compare the performance statistics for each school and think about how they will help your child meet his or her goals:

SCHOOL PERFORMANCE

90%	of students passed core courses	**11%**	attend high school at Chambers Street High School	**93%**	of students feel safe in the hallways, bathrooms, locker room, and cafeteria
34%	of students were proficient on the State English Test	**9%**	attend high school at Adams Street High School		*Search **99A123** at schools.nyc.gov/accountability for more about this school's performance and demographics.*
28%	of students were proficient on the State Math Test				

The school performance section contains the following for each school:

- **Course and Test Results:** The percentage of students who passed courses in the core subjects (English, math, social studies, and science), and the percentage of sixth, seventh, and eighth grade students who scored at Level 3 or 4 on the New York State English and Math tests.

- **Most Commonly Attended High Schools:** The NYC Department of Education high schools most commonly attended by last year's graduates of this school, and the percentage of graduates who attend each.
- **School Survey Results:** The percentage of students who feel safe in the hallways, bathrooms, locker room, and cafeteria as reported on the NYC School Survey.

For more information on school performance, see section 5.2 "Accountability."

2.3 School Information

Use this section to learn about student life at this school, including courses and activities.

SCHOOL INFORMATION

SCHOOL LIFE	COURSES	ACTIVITIES
Total Students: 237 **Grades:** 6-8 **Community School:** Yes **School Day:** 8am-2:25pm **Uniform:** Yes **English Language Learner Program:** English as a New Language **Community Service:** Yes **Extended Day:** Yes **Summer Session:** Yes **Weekend Program:** Yes	**Language:** French, Spanish **Accelerated:** Algebra I, Living Environment **Electives:** Chorus, Debate, Drama, Multimedia Production, Robotics	Book Club ■ Cheerleading ■ Chess Club ■ Dance ■ Leadership Club ■ Drama ■ Martial Arts ■ American Sign Language ■ Music Production ■ Regents Preparation ■ Specialized High Schools Preparation Courses **CHAMPS Sports—Coed:** Fitness Club, Volleyball **Other Sports:** Baseball, Basketball, Tennis

You can learn about the following in this section:

- The number of students who were enrolled in grades six through eight as of November 2015.
- If the school is a Community School. For more information, see section 5.4 "Community Schools."
- The English Language Learner programs offered by the school last year. For more information, see section 5.5 "English Language Learners."

Stop & Learn This is the end of section 2.0 "How Do I Use the Middle School Directory?" Complete the activity "Middle School Directory Scavenger Hunt" before you move onto the next section.

STUDENT ACTIVITY

MIDDLE SCHOOL DIRECTORY SCAVENGER HUNT

Complete the scavenger hunt below using the Middle School Directory page of a school you are interested in. Fill in each box with information about that middle school.

How many students go to this school?

How might I get to this school from where I live?

What phone number, email, or website can I use to get information on how to visit this school?

What time does a typical day start for sixth graders?

What are two *courses* this school has?

What are two *activities* this school has?

3.0 HOW ARE MIDDLE SCHOOL MATCHES MADE?

Your child will be matched to his/her highest possible program choice based on the following:

- **Your Program Choices:** The order in which you rank programs on the application. (See section 3.1)
- **Admissions Priorities:** The order in which applicants are considered for placement. A program that gives preference to zoned students is an example of an Admissions Priority. (See section 3.2)
- **Admissions Methods:** The way schools consider and admit applicants. A program that screens students is an example of an Admissions Method. (See section 3.3)
- **Seats:** The number of seats offered at each program. (See section 3.4)

3.1 Your Program Choices

Rank up to 12 choices in order of preference. Students will be matched to their highest possible choice taking into consideration Admissions Priorities, Admissions Methods, and seats.

When you fill out the Middle School Application, you are not just applying to schools, you are applying to programs.

- You can think of programs as "doorways" through which schools accept students.
- If a school has multiple programs, eligible students may apply to one program or more than one program at that school.
- Programs at the same school may have different Admissions Priorities and Admissions Methods. You may decide to apply to one program over another based on its admissions or because it has a particular theme.

Note: Screened programs in Districts 1, 2, 3, 4, 5, 13, and 14 will see how you rank them, which may affect your application choices. See section 6.0 "Specific Information for This District" to learn if this applies to you.

Zoned Students: Students who are zoned to a middle school—or a campus containing multiple middle schools—have priority to attend that school or schools. To receive this priority, you must rank your child's zoned school(s) on the Middle School Application. You do not need to rank your child's zoned school(s) as your first choice to receive the priority. You should, however, rank your programs in the order that you'd like your child to be considered for them.

Students in Continuing K-8 Schools: Students are guaranteed to match with their continuing school if they place it on their application. Students will first be considered for programs they rank higher on their application. You do not need to rank your child's continuing school as your first choice to receive the guarantee.

3.2 Admissions Priorities

Admissions Priorities determine the order in which applicants are considered for placement in a middle school program. If a program has multiple Admissions Priorities, students who fall into the first priority group will be considered for placement first. Students who fall into higher priority groups have a better chance of getting into a particular program than students who fall into lower priority groups. Schools with multiple middle school programs may have different Admissions Priorities for those programs, so be sure to review carefully the "Program Admissions" section on school pages.

Let's review an example of Admissions Priorities from a school page.

PROGRAM ADMISSIONS

Program Name	Code	Admissions Method	Prior Year Admissions				
			Type	Applicants	Seats	Applicants Per Seat	Seats Filled
(I.S. 123) Academic Honors Program	**A123S**	Screened	GE	225	55	4	Y
			SWD	75	18	4	Y
Eligibility: Open to students and residents of Brooklyn **Admissions Priorities:** ❶ Priority to students and residents of the District ❷ Then to students and residents of Brooklyn. *Last year, this program admitted students from all priority groups.* **Selection Criteria:** Academic and Personal Behaviors ■ Attendance ■ Final 4th Grade Report Card ■ Punctuality ■ 4th Grade New York State ELA and Math Exams							
(I.S. 123) Zoned Program	**A123Z**	Zoned	Zoned				
Eligibility: Open to students residing in the zone							

Admissions Priorities

This means that priority group 1 is all students and residents of the district who ranked this program on their applications. These students will be considered before priority group 2, which is all Brooklyn students or residents who ranked this program on their application.

This also tells us that last year, applicants from both groups were matched with this program. This illustration shows what the Admissions Priorities look like for the program above:

Here are common Admissions Priorities used to determine matches:

What you will see in the directory		What it means
"Priority to continuing 5th graders"	Means **that**	**Continuing Fifth Graders Priority:** Students who are already enrolled at a K-8 school and who list their school on their application will have priority over other applicants.
"Priority to students and residents of the District"	Means **that**	**Geographic Priority:** Students may have priority based on the district, borough, or geographic area in which they live and/or go to school. (If a student lives and goes to school in different boroughs or districts, that student has priority in both places.)
"Priority to New York City residents who attend an information session"	Means **that**	**Limited Unscreened Priority:** Students who signed in at a program's open house or at the school's table at a fair are put in a higher priority group. (This happens at programs that use a "Limited Unscreened" Admissions Method.)
"Priority to students who apply and live in the zoned area."	Means **that**	**Zoned Priority:** Students who live in a certain area will have priority. To find out if you live in a zoned area, check your application or visit **schools.nyc.gov/SchoolSearch**

The Types of MIDDLE SCHOOL ADMISSIONS METHODS

How are students admitted?		What do schools see?
Unscreened	Students are randomly selected	Biographical Information (Student's name, address, current school, gender) Special Education Status
Zoned	Matches based on residence	
Limited Unscreened	Priority to students who attend an information session	
Screened Language	Students are ranked based on language proficiency	Biographical Information Special Education Status English Language Learner Status Final Report Card Grades Standardized Test Scores Attendance and Punctuality Internal Assessment
Talent Test	Matches are made based on score attained on talent tests given at I.S. 239 Mark Twain. Interested students must fill out a Request for Testing form and return it to their elementary school by October 14, 2016.	
Composite Score	Students are admitted in descending order of score consisting of at least four of these criteria	Academic & Personal Behaviors Attendance and Punctuality Final 4th Grade Report Card New York State ELA Exam New York State Math Exam
Screened	Students are ranked by schools based on academics, audition, other assessment, and/or attendance	Biographical Information Special Education Status Final Report Card Grades Standardized Test Scores Attendance and Punctuality Internal Assessment

3.3 Admissions Methods

Admissions Methods are the ways in which middle school applicants are admitted into programs. The seven types of Admissions Methods are explained in more detail below:

Admissions Method

■ **PROGRAM ADMISSIONS**

Program Name	Code	Admissions Method	Prior Year Admissions				
			Type	Applicants	Seats	Applicants Per Seat	Seats Filled
(I.S. 123) Academic Honors Program	**A123S**	Screened	GE	225	55	4	Y
			SWD	75	18	4	Y
Eligibility: Open to students and residents of Brooklyn **Admissions Priorities:** ❶ Priority to students and residents of the District ❷ Then to students and residents of Brooklyn. *Last year, this program admitted students from all priority groups.* **Selection Criteria:** Academic and Personal Behaviors ■ Attendance ■ Final 4th Grade Report Card ■ Punctuality ■ 4th Grade New York State ELA and Math Exams							
(I.S. 123) Zoned Program	**A123Z**	Zoned	Zoned				
Eligibility: Open to students residing in the zone							

Selection Criteria

Admissions Methods that DO NOT see your child's academic information

Unscreened: In Unscreened programs, students who apply are randomly selected. If there are priority groups within an Unscreened program, students will be selected randomly within those priority groups.

Limited Unscreened: In Limited Unscreened programs, students are selected randomly with priority to students who demonstrate interest in the school by attending an information session, school tour, open house event, or by visiting the school's table at the Middle School Fair. You must sign in at one of these events to receive priority to the school's Limited Unscreened program(s).

Zoned: Zoned programs are open to students who live in the geographic zoned area of the middle school. To find out if your child is zoned to one or more middle schools, please visit **schools.nyc.gov/schoolsearch** or check your Middle School Application.

Talent Test: Talent Test programs base admission on a student's exam performance in specified talent areas. Talent Test programs are found at several District 21 schools, including I.S. 239 Mark Twain, which is open to all NYC residents. Testing details are listed on Talent Test schools' directory pages.

Admissions Methods that DO see your child's academic information

Screened: Screened programs rank applicants using factors that may include final report card grades from the prior school year, reading and math standardized test scores, and attendance and punctuality. Some Screened programs have additional requirements like an interview, audition, writing sample, and/or diagnostic test. If you have any questions, contact the individual schools for more information.*

Screened: Language: Screened: Language programs use home/native language as the basis for admission. Interested students should review the program admissions to make sure they are applying to a program that matches their home/native language. Some Screened: Language programs may give priority to ELLs, participants of elementary school-level Dual Language and Transitional Bilingual Education programs in the target language, and/or heritage speakers of the target language. For more information on ELL models, please see section 5.5 "English Language Learners."*

Composite Score: Composite score programs base admission on a combination of factors used to create one score for each student. Students are then placed in descending order based on their composite score and where the student ranked the program on their application. Composite score programs use a combination of academic and personal and behavioral characteristics.*

*Please note that, consistent with New York State law, state ELA and Mathematics test results will not be the sole, primary, or major factor in admissions decisions. Instead, multiple measures, which may include state test results, will be used to make admissions decisions for all Screened, Screened: Language, and Composite Score programs.

Selection Criteria describe the factors that determine how students match with a program. For **Screened**, and **Screened: Language** programs, the selection criteria describe what the school considers when ranking applicants. For **Composite Score** programs, the selection criteria describe what information is used to create each student's composite score.

Selection Criteria for **Screened** and **Composite Score** programs might include the following:

- Final 4th Grade Report Card
- 4th Grade State ELA and Math Tests
- Attendance and Punctuality From 4th Grade
- Academic and Personal Behaviors From 4th Grade

Academic and Personal Behaviors are a part of the fourth grade report card. Schools evaluate these behaviors along with the academic courses. The specific behaviors evaluated are:

- Manages time and consistently demonstrates effort to independently achieve goals
- Works in an organized manner
- Persists through challenges to complete a task by trying different strategies
- Asks for help when needed
- Respects school rules and works well in the school community

If a school is not evaluating these behaviors as a part of the report card, school staff will provide this information on the student's behavior in the fourth grade so that all students have the same information available for evaluation.

Fourth-Grade Information

Middle School Admissions uses information from the fourth grade to evaluate students for admission. School staff should not ask families to provide extra information in the form of report cards from additional years or separate recommendations from teachers.

3.4 Seats

Review the number of available seats in a program and the number of applicants for those seats during the prior year admissions. The number of applicants per seat will affect your chance of being matched. Programs that filled all seats in the Main Round are marked with a "Y."

Seats

PROGRAM ADMISSIONS

Program Name	Code	Admissions Method	Prior Year Admissions				
			Type	Applicants	Seats	Applicants Per Seat	Seats Filled
(I.S. 123) Academic Honors Program	**A123S**	Screened	GE	225	55	4	Y
			SWD	75	18	4	Y
Eligibility: Open to students and residents of Brooklyn **Admissions Priorities:** ❶ Priority to students and residents of the District ❷ Then to students and residents of Brooklyn. *Last year, this program admitted students from all priority groups.* **Selection Criteria:** Academic and Personal Behaviors ■ Attendance ■ Final 4th Grade Report Card ■ Punctuality ■ 4th Grade New York State ELA and Math Exams							
(I.S. 123) Zoned Program	**A123Z**	Zoned	Zoned				
Eligibility: Open to students residing in the zone							

Each middle school program has a specific number of available seats for incoming students. Available seats are divided into two groups:

- One group of seats is reserved for students who are part of the general education population and students who receive special education instructional programming for 20% or less of their academic program (GE).
- The second group of seats is reserved for students who receive special education instructional programming for more than 20% of their academic program (SWD).

Student applications will automatically be assigned to one group of seats. For students with disabilities, this is based on the services they are currently receiving according to their Individualized Education Program (IEP). The number of available seats in each group is based on the percentage of students with disabilities receiving services in fifth grade in that school's district.

Seats are used for admissions purposes only; all students with IEPs will receive the services listed on their IEPs. The number of available seats for each group of students in the prior year is shown next to each program.

4.0 HOW DO I LEARN MORE ABOUT SCHOOLS AND PROGRAMS?

Middle School Fairs

After you've explored schools and programs using the Middle School Directory, start planning your visits to **middle school fairs and open houses** to learn more about the middle schools in your district.

2016 Middle School Admissions Key Dates

TUESDAY	WEDNESDAY	WEDNESDAY	THURSDAY
September 27	September 28	October 5	October 6

Middle School Fairs

All district middle school fairs will take place on one of the above dates.
Check the Middle School Admissions website below for updates.

Middle school fairs will take place in September or October. At the fair, you will be able to meet school staff and ask questions about specific programs and offerings. Information about middle school fairs will be available from elementary schools and online at **schools.nyc.gov/middle** this fall.

School Open Houses and Tours

2016	2016	2016
SEPTEMBER	OCTOBER	NOVEMBER

Many middle schools offer open house/school tour events where you and your child can see the school, meet staff members, and ask questions. Before you visit, prepare a list of questions for school staff about the school's culture, course offerings, and activities. You can also use the "Asking Questions at Middle School Events" activity on the next page. For information about school open houses/school tours, please contact middle schools of interest directly.

TIP

School Visits: When visiting schools, always sign in clearly because some programs will use this to move you to a higher priority group.

Stop & Learn This is the end of section 4.0 "How Do I Learn More About Schools and Programs?" Complete the activity "Asking Questions at Middle School Events" before you move onto the next section.

STUDENT ACTIVITY

ASKING QUESTIONS AT MIDDLE SCHOOL EVENTS

Asking Questions: When you speak with a school staff member at a fair or open house, try to ask one question from each box. Create your own questions to learn more about a school.

Cut out this page and bring it when you visit schools and fairs!

School Culture

How can I get extra help with my homework?
Can I participate in community service?
What makes your school special?

My question: _____

Being a Sixth Grader

What time does the day start and end for sixth graders?
Are there activities just for sixth graders?
How does your school welcome new sixth graders?

My question: _____

Courses

What are some examples of courses students can take?
What are your most popular courses?
What makes your school's courses different from other schools?

My question: _____

Activities

What are some examples of clubs at your school?
When during the school day can students participate in activities?
How do students learn about clubs and activities at your school?

My question: _____

Admissions

Where can I sign in?
Do my family and I need to do anything to apply?
What are your Admissions Priorities?

My question: _____

5.0 ADDITIONAL MIDDLE SCHOOL ADMISSIONS INFORMATION

5.1 Accessibility

The Department of Education is committed to ensuring that its programs, services, and activities are accessible to staff, members of the school community, students, and family members with disabilities. The Department of Education assesses its buildings on a continuing basis to determine which schools are accessible to individuals with disabilities.

Accessible Schools are located in a fully or partially accessible building where an individual with mobility impairment may enter and access all relevant programs and services, including the science laboratory, library, cafeteria, and the gymnasium; in some cases, school programs may need to be re-located to accommodate access. At least one restroom is accessible. For the most up-to-date information on the accessibility of each school, please contact the school directly. Families are encouraged to visit schools to learn about the level of accessibility. For more information, please visit **schools.nyc.gov/Offices/OSP/Accessibility**.

5.2 Accountability

The New York City Department of Education collects information about school practices and student outcomes, which can help identify each school's strengths and areas for improvement. This directory contains some of this information, which is listed on school pages and explained in more detail below. If you have questions about this section, please speak to your school's guidance counselor or visit **schools.nyc.gov/accountability**, where you can find detailed information on each school's performance in their School Quality Reports. Average performance data for schools in this district during the 2014-2015 school year can be found in section 6.0 "Specific Information for This District".

The school performance section contains the following for each school:

- **Course and Test Results:** The percentage of students who passed courses in the core subjects (English, math, social studies, and science), and the percentage of sixth, seventh, and eighth grade students who scored at Level 3 or 4 on the New York State English and Math tests.
- **Most Commonly Attended High Schools:** The NYC Department of Education high schools most commonly attended by last year's graduates of this school, and the percentage of graduates who attend each.
- **School Survey Results:** The percentage of students who feel safe in the hallways, bathrooms, locker room, and cafeteria as reported on the NYC School Survey.

5.3 Charter Schools

Charter schools are independent public schools founded by not-for-profit Boards of Trustees that operate under a contract or "charter" of up to five years. Many charter schools have unique educational approaches that may include longer school days, a longer school year, and/or thematic programs. Any student eligible for admission to a New York City public school is eligible for admission to a public charter school.

Please note that applying to a charter school does not guarantee placement. If the number of applicants exceeds the number of available seats at a charter school, the charter school must conduct a lottery to determine admissions. Interested students or families should contact each charter school directly to receive specific information about the school's application process.

If you are interested in applying to a NYC charter school, you can apply to a school directly (visit the charter school's website for details), or you can apply to multiple charter schools at once using the online Common Charter School Application, which can be found at: **www.nyccharterschools.org/apply**.

For a list of charter schools, please refer to the back of this directory. Visit **schools.nyc.gov/charters** or call 212-374-5419 for more information about charter schools in New York City. For information about specific charter schools, contact the schools directly.

5.4 Community Schools

Community Schools offer an integrated focus on academics, health and mental health services, youth development, expanded learning opportunities (inclusive of after-school and summer enrichment activities), and family and community supports to ensure that students are ready and able to learn, and graduate college and career ready. Each community school serves as a hub where parents and family members, community-based partners, community members, and school staff come together to coordinate and integrate a range of supports based on the assets and needs of individual students.

5.5 English Language Learners

English Language Learners (ELLs) may apply to any of the programs listed in this directory. All New York City Department of Education schools provide a range of supports and services for ELL students to develop their English proficiency and prepare them for success in school, college, and/or careers.

There are three different ELL service delivery models offered in New York City public middle schools:

Program	Definition
English as a New Language (ENL)	English as a New Language programs, which used to be called English as a Second Language or ESL, provide instruction in English with support in the students' home language so that they can learn to read, write, and speak English. Students in this program can come from many different language backgrounds, and English may be the only common language among them.
Transitional Bilingual Education (TBE)	Transitional Bilingual Education programs provide reading, writing, and other classes in English and in your child's home language. As students' English improves, time spent learning in English increases and time spent learning in the home language decreases. Once your child is no longer identified as an English Language Learner, he or she will exit the program.
Dual Language (DL)	In Dual Language programs, students are taught in two languages: English and their home language, such as Spanish, Chinese, or French, among others. The goal of this program is for students to be able to read, write, and speak in both English and their home language. In Dual Language classes, the home language and English are used equally.

This directory indicates which of the ELL service delivery models above are currently offered in each middle school, based on school reported data.

All middle schools must provide the ELL Parent Survey and Program Selection Form at the parent orientation meeting which is offered to all newly-identified ELLs. If you do not receive this form, please request it from the school. You may use the form to indicate your preferred ELL service delivery model, even if your middle school does not currently offer it. Middle schools will be identified for a Dual Language or Transitional Bilingual Education program when there are 20 or more ELLs with the same native language in any single grade whose parents/guardians request either Dual Language or Transitional Bilingual Education. In this way, parents can influence which ELL service delivery models are offered in their child's school.

For the most up-to-date information regarding ELL service delivery models, please contact schools directly. For more information about services and supports for English Language Learners (ELLs), please call 212-323-9559, email **ellfamilies@schools.nyc.gov**, or visit the Division of English Language Learners and Student Support website: **nyc.gov/schools/Academics/ELL**.

5.6 Special Education Services

Students with disabilities may apply to all schools and/or programs listed in this directory, including all Screened and Audition programs, and are subject to the same admissions requirements as their general education peers. If the student's IEP contains testing accommodations, those accommodations will be provided when the student tests or auditions as long as they do not change what the test is measuring.

Every middle school participating in Middle School Admissions is expected to welcome and serve students with disabilities in accordance with their IEPs. The IEP team at the middle school will review the IEP to ensure that all services and supports are in place. In some cases, the IEP team may need to refine the IEP to better meet student needs.

Middle school programs have a group of seats for students whose IEPs specify special education instructional programming for more than 20% of their academic program. Special education instructional programming includes Integrated Co-Teaching (ICT) classes, Special Class (SC), and Special Education Teacher Support Services (SETSS). Related Services, such as speech, occupational therapy (OT), and physical therapy (PT), are not considered special education instructional programming for the purposes of Middle School Admissions. Seats are used for admissions purposes only; all students with IEPs will receive the services listed on their IEPs.

Students with disabilities who are recommended for and who have attended a District 75 program and are considering a middle school outside of District 75 should work with their IEP team to determine whether the recommendation for District 75 for middle school is still appropriate. If the student's IEP team determines that the student no longer needs District 75, then the student participates in Middle School Admissions. Students whose IEPs recommend a District 75 program and whose IEP team determines that the student will continue in a District 75 program for middle school are not required to participate in Middle School Admissions. These students are notified of their middle school placement in May or June by their District 75 schools. For more information, visit **schools.nyc.gov/Academics/SpecialEducation**.

5.7 Student Transportation

The New York City Department of Education offers transportation to middle school students based on these criteria:

- Students in sixth grade are provided with free transportation if they live one mile or more from the school; if they live closer than that but more than ½ mile from the school, a half-fare MTA bus pass is available on request from their school. Free transportation is provided as either a yellow bus or a MetroCard. Students receive yellow busing if (i) their school has bus service, (ii) they live in the same school district as their school, and (iii) if a stop exists, or can be created. Stops cannot be created if they make the existing route longer than five miles, as measured through each stop to the school.
- Students in seventh grade and above are provided with MetroCards if they live 1½ miles or more from school. If they live closer than that but more than ½ mile from school, a half-fare MTA bus pass is available on request from their school.
- Students receiving special education services who are mandated to receive specialized transportation on their most recent IEP are placed on bus routes to and from the school they attend. In addition, parents may request additional medical accommodations based on their child's special needs which may also affect the type of vehicle or route on which the student is placed. For more information about transportation, call the Office of Pupil Transportation at 718-392-8855 or visit **schools.nyc.gov/offices/transportation**.

Notes

6.0 Specific Information for District 22

In this district, the Center for Intellectually Gifted (CIG) programs at 22K014, 22K078, 22K234, 22K240, and 22K278 previously admitted students based solely on test score. The New York State Legislature passed a law in 2014 prohibiting the use of test score as the sole, primary or major factor in admissions decisions. In accordance with this law, these programs will now admit students based on multiple measures combined into a composite score.

District 22 previously had a number of programs, in addition to the CIG programs, that screened students for admission. Beginning with September 2016 admission, these programs are unscreened with a priority to zoned students. Zoned students will be placed first and the remaining seats will be filled randomly.

One of the middle school zones has three schools serving the zoned students. If students apply to all of the schools in the zone, and do not match to a higher choice, they will have a placement in one of them. However, if students apply to only one or two of the schools in the zone, placement in the zone may not be accommodated. The schools that share a zone are 22K014, 22K234, and 22K278.

What is the performance of a typical District 22 middle school?

96%	of students passed core classes
26%	of students were proficient on the State English Test
23%	of students were proficient on the State Math Test
78%	of students feel safe in the hallways, bathrooms, locker room, and cafeteria

District Schools

All District 22 residents may apply to middle schools in this section.

Shell Bank (J.H.S. 14) | 22K014

At the School of Communication Sciences (J.H.S. 14), students engage in a multi-faceted communication and technology experience. Our scholars engage in collaborative, well rounded experiences evident in our programming. Our programming incudes a specialized cohort immersed solely in the use of the Google Apps for Education Platform. Scholars in this program will benefit from a specially trained Google Educator using Chromebooks in each major subject. Our enrichment programs include dual language classes in Chinese and Russian, and accelerated living environment and algebra classes. We also offer Pathway courses which introduce scholars to the high school elective experience. Some examples of Pathways are: Music Through the Decades, Murals and Mosaics, Theatre Arts, Young Environmentalists, Fashion Industries, Sports Leadership, and French Culture. We focus on the whole child, incorporating small group instruction for remediation and enrichment, as well as offering very creative programs, such as Mutt-i-grees and situational role playing to meet the social-emotional needs of all students.

Roy H. Mann (J.H.S. 78) | 22K078

The School of Architectural Design and Innovative Technology (J.H.S. 78) is dedicated to providing a challenging STEAM (Science, Technology, Engineering, Arts, and Math)-based curriculum in a safe and nurturing environment. We offer our students engaging and rigorous instruction which fosters critical thinking and creativity. Students design, build, work collaboratively, and have a variety of enrichment opportunities, primarily through our outstanding Schoolwide Enrichment Model (SEM) program. Technology is available in each classroom in the form of Smartpanel HDMI boards, iPads, Chromebooks, and/or laptops, and all classrooms are air-conditioned for the students' comfort. We ready our students for college and careers, further their social development, and support their academic achievement. We are committed to working in partnership with our parents to enhance our students' learning experience.

P.S. / I.S. 109 | 22K109

Our students receive a quality education in a small, nurturing learning environment. It's a place where everybody knows your name. Parents appreciate our small educational community, our emphasis on science and technology, and our desire to equip each and every student with the necessary tools to become a leader of tomorrow. We are part of the iLearnNYC program. iLearnNYC schools implement online and blended learning to expand current school boundaries that limit how and when a student can learn. iLearnNYC empowers teachers, administrators, students, and parents with cutting-edge resources, including online content, real-time data on student work, and many more educational tools.

Joseph F. Lamb (P.S. / I.S. 206) | 22K206

P.S. / I.S. 206 is a multi-cultural school with approximately 1,440 students, 360 of which are in our middle school. Students have the opportunity for engaging discussions centered on critical thinking. Staff and administrators know students by their names and support their individual needs. Parents often want their child to attend our school because they feel confident that their child is in a safe and highly rigorous school. Students enjoy a healthy balance of strong academic instruction along with opportunities to develop their strengths in technology and the arts. Community service is a staple of our school and students enjoy the rewards of helping others. One of the most coveted positions is that of a student mentor where middle school students are able to support elementary students both academically and socially. SMART Boards, digital projectors, iPads, personal Androids, and over 200 new wireless laptops ensure that our students are ready for the technology-driven future.

Arthur W. Cunningham (J.H.S. 234)| 22K234

Cunningham is a family-oriented, safe, and nurturing school whose students come from more than 30 different countries. In an effort to prepare our students for college and career, we empower them to think critically and engage in rich peer-to-peer collaboration across all disciplines. Cunningham focuses on engineering, technology, math, sustainability, and environmental issues through hands-on, STEM-related activities, robotics, coding, EverFi, residencies, field trips, partnerships, and service-learning opportunities. Students will become communicators and collaborators while learning new and exciting engineering and technology skills, conducting research, applying math concepts, and striving to create a model for a sustainable community. The program heightens students' curiosity in STEM subjects by laying a solid foundation for futures in engineering and tech fields through all subject areas by teaching the critical skills that life and work demand.

Andries Hudde (J.H.S. 240) | 22K240

The Andries Hudde J.H.S. math curriculum, in its entirety, is designed to continue students' development of mathematical fluency, problem-solving skills, mathematical reasoning, and ability to communicate mathematically. We offer the Algebra for All program, making for higher-level thinking. Our students love to be at Hudde because of the many after-school and Saturday activities we offer. We provide academic rigor and a safe, nurturing environment with many recreational opportunities that prepare our children for success. These include theater, music, academic intervention/enrichment, field trips at every grade level, and sports.

Marine Park (J.H.S. 278) | 22K278

Marine Park—the School of Modern Technology and Performing Arts, located within the beautiful surroundings of Marine Park—provides a nurturing school environment where students develop college and career readiness. Students enjoy the comfort of a fully air conditioned building where academic life is rich with variety and choices. Modern technology is infused throughout math and science classes focusing on STEM, robotics, coding, computer science, hydroponic farming, alternative energy sources, and solar energy. Grade-level and accelerated math classes are available allowing students to build connections with future skillful careers. Technology tools such as SMART Boards, laptops, iPads, and graphing calculators support student learning in varying ways. Students flourish through the arts with various music ensembles such as symphonic, jazz, marching, and pit bands as well as choir. The Theater Department allows students to shine on stage in our yearly dramatic production presented in our Black Box Theater, as well as truly dazzle in our Spring Musical on our main stage. Parents and staff enjoy a close relationship, attending PA and SLT meetings together and corresponding via email, telephone, PupilPath, SchoolMessenger. Parent engagement workshops also help to help foster this connection.

I.S. 381 | 22K381

Our country is a leading consumer of technology but is losing ground with respect to its production. School, industry, and government leaders are increasingly concerned that, although many students use technology products daily, few know how to create and produce them. As a New York City Department of Education Innovation Zone school, Middle School 381 addresses these concerns via its Applied Technology Institute (ATI) program. Students at M.S. 381 design, construct, produce and evaluate solutions to problems across the grades six, seven, and eight curricula using technology in this research-based program.

Blended Learning strategies and a wealth of current technology supports are used to instruct students in the use of tool software and other applications. Computer science courses focusing on programming and coding are available to all students in grades six through eight. Students' technology skills are assessed quarterly and tracked over time.

Students interested in *producing* technology, rather than simply using it, are encouraged to apply for admission to M.S. 381's Applied Technology Institute.

M.S. 890 | 22K890

MS 890 provides a safe, comprehensive learning environment which meets the needs of every student while preparing him/her for college and career. Our faculty is committed to designing learning opportunities that develop the whole child through interdisciplinary approaches that address the Common Core Learning Standards. This enables students to develop high expectations for learning in an environment that fosters self-confidence and academic excellence. In addition to academic courses, students are able to pursue their interests in sports, music, drama, clubs, foreign language, and writing. We believe that, when the school community is involved cooperatively, positive results occur. Parents have a voice in school-based decisions via the School Leadership Team, Parent Association, fundraising, and our varied parent engagement events.

Boroughwide Schools

All Brooklyn residents may apply to middle schools in this section.

Ronald Edmonds Learning Center (M.S. 113) | 13K113

We give extra attention to each child's academic needs while modeling a passion for the performing arts and technology. Parents appreciate our stable learning environment with high academic standards and a strong focus on the arts and technology. The Dual Language Program provides differentiated instruction in both Spanish and English based on the Common Core Learning Standards and the New York State Performance Standards. Through both age- and grade-appropriate instruction, whole class, small group, individual experiences, and project-based learning, students will become bilingual, biliterate, and biculutral. Students in the Dual Language Program will also participate in the Arts and/or Technology courses.

Urban Assembly Institute of Math and Science for Young Women (M.S. 527) | 13K527

Our school is designed to encourage and foster the achievement of young women in math, science, and technology. Our challenging and innovative curriculum uses inquiry-based models of learning to actively engage students and to teach persistence in the pursuits of learning. Our partners connect our students with mentors that inspire them to challenge their self-perceptions and the stereotypes that currently exist for women in math and science. Additionally, our free after-school program provides unique opportunities for our students. Urban Assembly Institute of Math and Science (UAI) students possess the skills needed to be successful in high school and college and to make the choices that positively impact their lives.

John D. Wells (M.S. 50) | 14K050

Middle School 50 is located in the Southside of the Williamsburg section of Brooklyn. M.S. 50 has partnered with El Puente, a nationally-renowned community human rights organization, to create a new community school. Our mission at M.S. 50 is to promote youth leadership through academics, arts, athletics, and activism and to empower student voice by providing opportunities for students to engage in inquiry-based and project-based learning. In all content areas, students at M.S. 50 are taught to make evidenced-based arguments and to justify their opinions using persuasive academic language. In addition to receiving a rigorous academic education, M.S. 50 students will be able to select from a rich variety of enrichment activities (debate, spoken word, video game design, robotics, theater, dance, sports, and more!) and academic advancement opportunities during our Expanded Learning Time.

Juan Morel Campos Secondary School | 14K071

An education at Juan Morel Campos Secondary School is full of promise. One of our most important promises is that, as a secondary school, we build a seven-year relationship with students and families. Additionally, our small learning communities strengthen bonds within the school community and ensure students a safe transition from middle school to high school. Another important promise is that all students at Campos develop their artistic talents in our rich band, theater, and visual arts programs. We also promise that all students are pushed to excel and prepare for college with the help of teachers, high school students, and a full-time college counselor.

The Young Women's Leadership School of Brooklyn | 14K614

Our school is part of a national network of excellent all-girls college prep schools. Our school is guided by teachers and staff who nurture students' intellectual curiosity. We believe that all students can achieve high standards in every area including math, science, and technology. We have a very supportive environment that includes daily advisory. Part of a network of Young Women's Leadership Network (YWLN) schools, we are an all-girls school with a mission to prepare young women to be successful leaders in their communities. Every YWLN school is supported by the CollegeBound Initiative (CBI) which ensures college access and financial aid options for every student. We work with parents as partners in preparing every student for post-secondary opportunities.

Boerum Hill School for International Studies | 15K497

The School for International Studies is a New York City public school that serves 500 students in grades 6-12. With the implementation of the International Baccalaureate philosophy and mission, we aim to support learning for all students that is both engaging and relevant to real life. We prepare students for college and career readiness by providing a comprehensive liberal arts education grounded in project-based learning. Students develop strong reading and writing skills, as well as the ability to think critically and creatively as socially conscious citizens of the world. Our school is progressive and professional. We are determined to be leaders in international education with highly successful students and teachers.

M.S. 584 | 16K584

Middle School 584 is a Community Learning School in partnership with P.S. 335. We offer students a Common Core-aligned curriculum and experiential learning opportunities where they make relevant learning connections. They also enjoy and benefit from both of our iMac Laboratories donated by Councilman Al Vann. Also beneficial are our many mentoring programs and our Saturday and after-school tutoring. Teachers use SMART Boards for daily instruction and laptops are available to each student. The parents of the Middle School 584 family appreciate the school's close relationship with all the members of our community including parents, students, staff, and community stakeholders including local political figures, professional actors, athletes, FDNY, NYPD, Community Counseling and Mediation (CCM), and Counseling in Schools (CIS). Parents share a close relationship with their child's school administration, teachers, and staff.

Ebbets Field Middle School | 17K352

Ebbets Field Middle School is an international education center, founded in 2005. Ninety percent of our students are immigrants or children of immigrants. We are proud of this heritage and diversity. Our instructional week is five hours longer than similar schools ensuring all students meet and exceed the challenges of the Common Core and city wide instructional shifts. We are one of four Turnaround Arts schools in NYC. Turnaround is a presidential initiative for academic success through the arts. Marc Anthony is our celebrity partner and is committed to our school's success. All of our curricula, from mathematics to social studies, are infused with the arts. To ensure that our students are college and career ready, every student is given an iPad to experience the curriculum through an interactive and hands-on/minds-on format. We have partnerships that extend learning and guarantee the educational, physical, social, and emotional development of each of our students and families.

Science, Technology and Research Early College School at Erasmus | 17K543

Science, Technology, and Research (STAR) Early College School at Erasmus is a small Early College Network 6-12 school. Our middle school is divided into houses, which give students a strong sense of community at the school. Our dynamic team of teachers and Brooklyn College professors are eager to prepare students interested in science, mathematics, and technology for college and the working world. With our partners, we offer a range of challenging academic courses that give students firsthand exposure to the demands of high school and college by using field-based and hands-on methods of instruction. Students will use the rich resources on the Brooklyn College and other City University of New York campuses as their learning laboratories. In addition to their high school diploma, our high school students may earn 30 or more college credits, which may qualify them for Advanced Placement status at Brooklyn College and other city and state colleges and universities of New York.

ACTIVITIES

Anime ■ Cheerleading ■ House System: Upon entry into STAR all students are entered into a house. Throughout the year, houses compete in both academic and extracurricular activities. Each house is awarded points according to how well they compete. At the end of the year the members of the winning house are awarded a grand trophy as well as an end-of-the-year prize.
Sports: Basketball, Dance, Step, Swimming

Medgar Evers College Preparatory School | 17K590

Students are immersed in academically challenging studies with requirements that include a three-year sequence in mathematics, Chinese, science, social studies, and the arts. Students have an opportunity to complete the following Regents by the end of eighth grade: Integrated Algebra, Geometry, Algebra 2/Trigonometry, Living Environment, Earth Science, Physics, World History, US History, English, and the Chinese LOTE. Student creativity, character development, and social responsibility are encouraged and nurtured through individualized guidance, athletics, clubs, fine and performing arts events, and mentorships.

Isaac Bildersee (I.S. 68) | 18K068

I.S. 68 is a school that provides its students with a high quality education that surrounds Science, Technology, Engineering, Arts, and Mathematics (STEAM). We are a certified Eco-school and are a part of the Billion Oyster Project. Our students learn about science and technology through our pollinating garden and school-wide air purifying initiative. We pride ourselves on our newly implemented robotics program which uses state-of-the-art equipment and 3-D printing. I.S. 68 has a belief system based on Steven Covey's *The 7 Habits of Highly Effective People* in which students demonstrate positive behavior by being proactive, setting goals, collaborating, and prioritizing. We have a strong focus on student leadership development which is supported by the Leader in Me program. Students also benefit from various partnerships. For example, through our partnership with Long Island University, students have opportunities to visit colleges and universities around the country.

The Lenox Academy (P.S. 235) | 18K235

The Lenox Academy offers an academically accelerated program for middle school students. We provide a high quality education within a learning environment that supports young learners. Lenox Academy's rigorous academic program, coupled with a highly skilled and experienced staff, has proven successful. Approximately 25 percent of our eighth grade students from the class of 2014 were accepted to specialized high schools. Most have received acceptances to select public high schools, others have accepted placements in private day and boarding schools through scholarships granted by Prep 9. Lenox Academy promotes academic excellence and challenges students to meet NYS standards with distinction. Over 90 percent of our students met standards [Level 3] or met standards with distinction [Level 4] on the 2013-2014 New York State Standardized exams. All of our seniors are administered the Living Environment Regents and Spanish Proficiency exam and around half take the Algebra I Regents.

Meyer Levin (I.S. 285) | 18K285

Our Performing Arts Program provides students with a strong sense of discipline and responsibility. Our teachers take advantage of the natural curiosity, energy, and enthusiasm of sixth through eighth graders. The program supports students at different levels of maturity and includes a balance of teacher-structured and student-initiated activities. The Performing Arts program provides training for beginning and experienced students in dance, drama, instrumental band, steel pan orchestra, and vocal music. The courses represent a selection of introductory classes together with those that fulfill the needs of highly talented young artists. The curriculum focuses on basic skills, a disciplined manner of inquiry, individual creativity, and good study habits. Students are encouraged to work cooperatively and to share their special gifts and talents.

The East Flatbush Community Research School | 18K581

Our vision is to create a safe environment in which authentic learning experiences build character and empower students to become independent thinkers. Our mission is to provide a Common Core Learning Standards (CCLS)-aligned curriculum, life skills, mentorship, interventions, and enrichment activities that will enhance learning and support the social-emotional growth of our students. At EFCRS, we focus on targeting individual needs. We possess a strong community of teachers who are committed to motivating, engaging, and providing rigorous learning experiences. Our parents appreciate the strong focus on instruction, smaller class sizes, and two and a half hours of expanded day programming our school offers. Students enjoy the cultural exposure and the unique courses in expanded day. Unique academic offerings include: Algebra Regents Course, Specialized HS Test Prep, and Saturday Academy. Unique expanded day offerings include: STEM Academy, Robotics, Coding, Cooking, Soccer, Chorus, Drumming, and Theater.

James P. Sinnott (J.H.S. 218) | 19K218

James P. Sinnott has a magnet program focused on health and health professions. There is also a wellness committee which focuses on a month-by-month health theme that is ingrained in the culture of the school. We offer students an Honors program with Regents classes, Spanish Dual Language Cohort, and a Dance Cohort. We also have the only Day NYPD/FDNY Explorer Program with the Learning for Life advisory curriculum. All students are exposed to restorative circles in advisory. As participants in New York City's iTeach/iLearn program, students receive a laptop computer for daily use in each class and all classrooms are outfitted with SMART Boards. Parents are always invited to our school to help build culture and to celebrate our students. We provide our students with a stable, secure, and structured learning environment and the highest quality classroom instruction. A wide variety of support and intervention services are also offered. We strive to achieve academic excellence.

Ethan Allen School (P.S. / M.S. 306) | 19K306

Our students appreciate the way they are able to go to their teachers and other support staff members for assistance with their academic coursework and any social and emotional concerns that they may have. With all of the support our students receive, our school is like a family. Students enjoy many fun activities, including Family Day, school dances, trips, college visits, and the school barbeque that we have once a year. Our school offers computer-based programs such as TenMarks and myON to enhance student learning and promote student achievement. The Urban Arts Partnership works in collaboration with our classroom teachers to advance the intellectual, social and artistic development of our students. SMART Boards, document cameras, the Internet, and the flipped classroom model are all used in many of our classrooms.

Essence School | 19K311

The intimate family atmosphere of our school makes all students feel welcome. We offer a warm and friendly, yet academically-challenging program. Our school is an integrated learning community where families participate as partners. The school's philosophy is grounded in three beliefs. First, we believe that children should be immersed in an interactive learning community that develops and expands all of their human potential. Second, we believe that school is a place for the entire family. Third, we believe that all children have the potential to learn in an integrated model for general and special education populations. Beginning in the 2015-2016 school year, the Essence School became a Community School as a part of the Renewal School Program. This opportunity allows Essence to enhance our curriculum, sports, and arts programs, as well as to further increase our community and family ties as we continue our pursuit to provide every child with a holistic educational experience.

Urban Assembly School for Criminal Justice | 20K609

As a 6-12 school, we believe that middle school is the foundation for high school and college success. In class, students are academically challenged, reading high level texts and engaging in critical thinking. We also believe that middle school is a time to teach students the habits necessary for academic success such as organization and time management. Over the last eight years we have created a strong culture that emphasizes order and structure, rigor and learning, community and positivity. We are partnered with NIA and offer a variety of after-school activities. Our teachers are accessible, and we have small class sizes and give individual attention to our students. We excite our students about learning, reading, and exploring the world. We offer iPads, laptops, SMART Boards, and wireless internet. We encourage our students to continue at UASCJ through high school.

David A. Boody (I.S. 228) | 21K228

I.S. 228 offers a creative environment that brings out students' talents in safe, encouraging, and challenging ways. We showcase our students' creative work throughout Brooklyn and beyond. Our school champions respect for all and has zero tolerance for bullies. Parents are respected partners and are supported by the district's first Parent Engagement Center. Parents are kept in the communication loop throughout the year. They take part in an active Parent-Teacher Association. Parents know that the school is a place they can find resources that can help their lives in many ways. I.S. 228 offers free night classes that teach English as a New Language to the parents of new immigrant students and other interested adults. I.S. 228 has a fully differentiated, high-tech "School of One" math program operating full-time.

Joseph B. Cavallaro (I.S. 281) | 21K281

It is our vision to help guide students in the development of their character and academic potential so they can become teachers, leaders, and dreamers. We provide rigorous, challenging, and content-rich programs to prepare students for college and careers. Staff, parents, and students effectively communicate, collaborate, and support our high academic and behavioral standards. We have a dedicated PTA and use PupilPath, the One Call Now telephone messaging system, and our school website to work together as one towards the complete education of every child. I.S. 281 is a technology-rich school, and also has a well-developed arts program incorporated within the school day. We offer free day and evening classes teaching English to our parents and other adults in the community.

Ida R. Posner (P.S. 165) | 23K165

P.S. 165 wants to promote, foster, and celebrate positive behavior while providing a safe environment that enhances learning. Our school policy is Respect for All. We are a pre-k to eighth grade school that believes in working with and meeting the needs of our students holistically. We not only focus on the academic growth of our students, but also their emotional and social growth. To foster this concept, we offer several electives and extracurricular programs throughout the school year. Our entire curriculum is aligned to the Common Core Learning Standards and our students are held to very high expectations.

I.S. 392 | 23K392

Intermediate School 392, located in Brooklyn is a sixth through eighth grade middle school with 300 students. Our mission is to establish and maintain a school environment that is challenging and nurturing. We promote high levels of academic achievement utilizing a rigorous, interdisciplinary curriculum focusing on the higher-order thinking skills of application, synthesis, and evaluation. This curriculum infuses the arts, creates articulate public speakers, and encourages students to become productive members of society. The Leadership Program provides mentoring for at-risk male students with successful role models from the community. In order to build school spirit and develop students' personal interests, we offer various after-school programs. Parents are also significant contributors within the school community, working harmoniously with the staff to ensure their children's success. At I.S. 392, we truly live by the mantra of the African proverb: "It takes a whole village to raise a child."

KAPPA V | 23K518

KAPPA V / M.S. 518 is a small, high-performing middle school, serving grades six through eight. KAPPA is modeled after the acclaimed KIPP Academy in the Bronx. We foster a nurturing environment that supports, challenges, and raises the expectations for youth in Brooklyn. KAPPA V has an accelerated learning program with emphasis on rigor, discipline, reading, writing, mathematics, and teamwork. Our character focus is on respect, responsibility, and community service. KAPPA stands for "Knowledge and Power Preparatory Academy," and the model stresses high academic expectations in a supportive atmosphere with rewards for high achievement. Parent involvement is also emphasized. Open Houses will be held in October and November. Interviews will be scheduled in December and January. Please contact our parent coordinator, Ms. Juanita Williams, at 718-922-4690 for Open House dates and times.

Mott Hall IV | 23K522

Our mission at Mott Hall IV is to develop and nurture academic and social leaders by providing a safe environment, which promotes mutual respect among scholars, teachers, parents, administrators, and the community. Through our curriculum, our scholars will enter high school fully prepared to compete globally, and work towards college and career readiness. The academic experience at Mott Hall IV will stimulate students' curiosity and critical thinking in order to create productive citizens and leaders. It is our vision that all stakeholders will work collaboratively to ensure scholars receive a standards-based rigorous academic education that promotes a commitment to leadership and service. The attainment of this vision directly relates to Mott Hall IV's commitment to the school community to provide quality education to all students. It is essential that our students live and embody our core values, which are accountability, leadership, integrity, pride, respect, service, and teamwork.

Teachers Preparatory Secondary School | 23K697

We are dedicated to creating an environment that fosters optimism, creativity, critical thinking, and lifelong learning. We will prepare tomorrow's educational leaders by modeling superior instruction in our teaching and by developing social efficacy skills through meaningful interactions with positive adult role models. Teachers maintain high expectations for student achievement and students understand and meet these expectations.

Math, Science & Technology (I.S. 349) | 32K349

Students value the safe, nurturing, and responsive support that our staff offers. Students are proud to be a part of a school that promotes cultural enlightenment and hands-on opportunities in the arts. Parents appreciate our caring school community where staff members identify students' needs and provide them with opportunities to improve academic achievement and social development. Students are provided with an extended school day, benefiting from an additional five hours of instruction per week. The school has made major technological upgrades including interactive flat panels in every class room, two state-of-the-art computer labs, three laptop carts, and three tablet carts. The school uses the Skedula system to provide a platform for parents to communicate with teachers and track their child's academic progress. Additionally, as a Community School with our partner—the Center for Supportive Schools—the school provides additional social-emotional supports for students and families.

Philippa Schuyler (J.H.S. 383) | 32K383

Students at our school are assigned instructional programs that meet their individual gifts and talents. Philippa Schuyler offers a variety of acceleration and enrichment opportunities that include advanced language arts and math classes, Regents classes in algebra, living environment, earth science, French, and Spanish. Major performing arts courses are offered in a variety of dance styles including: jazz, modern, ballet, and urban dance. Additional major performing arts classes include: concert band, steel pan, and chorus. Major visual arts courses and other electives include: medical studies, technology, and African American studies. In addition, we offer preparation courses for Specialized High School testing. Our school also offers a state-of-the-art hyrdoponic science lab. Our instructional program focuses on project-based instruction and assessment to promote rigorous critical thinking and citizenship skills.

New Explorations into Science, Technology and Math School | 01M539

New Explorations into Science, Technology, and Math (NEST+m) is a Citywide G&T K-12 school. Our academically rigorous program has made us one of the finest schools in the city. We are committed to developing each student's capacity for academic and intellectual achievement. We are committed to developing each student's capacity to learn both individually and collaboratively. We provide a range of services for students with disabilities including a full-inclusion program. NEST+m students blossom into practitioners: scientists, mathematicians, engineers, artists, writers, historians, musicians, painters, and linguists who approach their studies with passion and purpose.

The 47 American Sign Language and English Lower School | 02M347

The mission of P.S. 347 is to provide a joyful learning environment that celebrates the education, growth, and uniqueness of every student. An engaging and rigorous standards-based curriculum is offered in American Sign Language (ASL) and Standard English, and is supported in small classes that provide children the opportunity to achieve their personal best. Our staff is committed to inspiring and encouraging curiosity, empathy, and social awareness by developing higher-level thinking skills and exploring real world issues that extend into the community. By fostering a partnership with families, we support individual student goals to enable each child to become an independent and responsible lifelong learner, and prepare them for success in the journey to higher education. All Signs Point to Success!

Institute for Collaborative Education | 02M407

The Institute for Collaborative Education (I.C.E.) is a small, community-focused school where the needs and academic interests of our students come first. Teachers utilize a project-based curriculum that emphasizes student-centered inquiry, forming substantive arguments, written and oral presentations, and the active and ongoing exchange of ideas. At I.C.E. we encourage students to develop their own points of view and practice the intellectual disciplines of conducting formal research and defending complex academic arguments.

Professional Performing Arts School | 02M408

The Professional Performing Arts School (PPAS) partners with top rated New York City arts organizations to provide high quality training in the performing arts and a competitive academic program. In partnership with the theater company Waterwell, middle school students receive 90 minutes daily of acting, dance, and voice classes. Our curriculum provides students with the artistic and personal skills to be leaders in the field and in whatever profession they choose to pursue. PPAS middle school students are guaranteed a placement in one of the PPAS high school arts programs if they choose to stay. We provide a middle school experience that is well-rounded and considers every child's interests, learning styles, and needs. Students invited for an audition prepare one short monologue and one song to perform without music. Students do not need prior experience in order to apply.

The Anderson School (P.S. 334) | 03M334

The Anderson Middle School (AMS) provides a judicious combination of an accelerated and enriched curriculum for the distinct needs of gifted learners. Our upper grades are fully integrated within our highly successful K-8 school. With only two classes per grade, the relationship between students and teachers is personal and supportive. This smaller population fosters a strong sense of community. Guided by educators who recognize the needs of children with outstanding intellectual potential, we provide intimate, differentiated, and departmentalized instruction that encourages critical thinking, creative problem solving, divergent thinking, research, independent study, collaboration, and self-evaluation. Parental involvement and support sustains the spirit and growth of AMS. The Anderson School seeks a diverse student population, including ICT students, and welcomes applications from across the five boroughs. Please visit our website to review our admissions rubric before applying.

Special Music School | 03M859

The mission of the Special Music School is to teach musically gifted children through highly structured instrumental training and a standards-based academic program. The school prepares students for professional music careers while recognizing that not every student will choose such a career. The underlying philosophy of the Special Music School is the belief that music education for gifted pupils requires extensive opportunities to work one-to-one with an outstanding instrumental faculty, a structured and sequential music curriculum, opportunities to perform before audiences, and interaction between general academics and musical studies. Our goal is to see each child reach his or her academic and musical potential. Our vision is that all students will become lifelong learners and critical thinkers in our caring and respectful learning environment. We encourage parental involvement in all aspects of the school.

Talented and Gifted School for Young Scholars | 04M012

At the Talented and Gifted School for Young Scholars, faculty, parents, and students work together to prepare students to develop to their full potential. We seek to inspire inquiry, creativity, and achievement for all of our students. We teach compassion, integrity, and respect for all humanity and cultivate lifelong learning. Through this collaborative effort, we promote physical and emotional well-being and develop each student's individual interests and talents. We provide a strong education program in which all students develop critical and creative thinking skills and design meaningful educational experiences to promote academic and personal growth. Our professional and supportive staff is sensitive to the needs of each student, dedicated to providing a quality education, and has a genuine love of children. We engage in ongoing self-evaluation that ensures that we are effectively working to achieve our own goals and those of the Department of Education.

Brooklyn School of Inquiry | 20K686

We offer an arts-enriched school environment. We want our students to see themselves as mathematicians, so we foster deep comprehension of math concepts by helping our students acquire habits of mind: persisting, questioning, communicating with precision and clarity, thinking flexibly, listening with understanding/empathy, and thinking interdependently. BSI students read diverse content and their writing includes feature articles, informational texts, comic books, interviews, persuasive essays, literary analysis, and literary criticism. We teach our students to engage technology, to think critically about what they see, and to be thoughtful about how they use technology to express their thoughts and ideas. Parents play a crucial role in both the daily life and long-term growth of BSI. Through a vital home/school connection, we build a learning community based on respect and cooperation.

Mark Twain for the Gifted & Talented (I.S. 239) | 21K239

Students thrive in a community that blends academic rigor with visual and performing arts. Every student has a focus in one of our Talent programs: Art, Athletics, Computer Science STEM, Creative Writing/Journalism, Dance, Drama, Instrumental Music (String or Wind), Media, Science, and Vocal Music. Parents appreciate the personalized attention of our mini-school "cluster" system. Teachers and support staff have time in their weekly schedule to collaborate with parents and caregivers to provide the best academic and social/emotional development for each student. Almost all graduates go on to NYC's Specialized High Schools and select programs. We have building-wide Next Generation Wireless internet access and all students utilize iPads and interactive digital curriculum throughout their courses.

The 30th Avenue School (P.S./M.S. 300) | 30Q300

Those who are successful in modern workplaces know how to ask the right questions—they are critical thinkers and researchers, strong problem solvers, and reflective practitioners. Teachers facilitate learning by setting up the classroom for students to engage with inquiry-based activities. For example, sixth grade students work in groups to answer the question, "How can we design water filters that filter out harmful substances, are cost effective, and can be built in a classroom?" Students research effective water filters, sketch out designs, build these designs, test designs, and, finally, redesign. Q300 differentiates itself by challenging students to develop these inquiry skills in all core subjects, as well as in engineering, computer science, the arts, and Spanish. We encourage students who may be considered "twice exceptional" to apply for we have academic and social/emotional supports in place to effectively meet their needs.

HOW TO APPLY TO MARK TWAIN FOR THE GIFTED & TALENTED | 21K239

Mark Twain for the Gifted & Talented (I.S. 239) is a middle school open to all New York City residents. To be eligible to test for and apply to this school, applicants must submit a Request for Testing (RFT) form by October 14, 2016.

Public school students should return the form to their elementary school, and non-public school students should return the form to a Family Welcome Center. (See inside back cover for Family Welcome Center locations.)

On the RFT form, you will need to list the two talent areas (see below) for which you would like your child to participate in competitive talent exams.

Talent Area	Program Code	Talent Area	Program Code
Art	K239AR	Instrumental – Strings	K239ST
Athletics	K239AT	Instrumental – Winds	K239WI
Computer/Math	K239CM	Media	K239ME
Creative Writing/Journalism	K239JO	Science	K239SC
Dance	K239DA	Vocal Music	K239VO
Drama	K239DR		

If you submit an RFT form, you will see these two talent areas on your child's personalized middle school application. Remember–to be considered for placement, you must also rank Mark Twain programs on your application.

Eligible students will then receive notification of their test or audition, which will occur at Mark Twain on one of these dates. Additional test dates may be scheduled based on student applicant response.

January 7, 2017	January 21, 2017	January 28, 2017	February 4, 2017
January 8, 2017	January 22, 2017	January 29, 2017	February 5, 2017

HOW TO APPLY TO PROFESSIONAL PERFORMING ARTS SCHOOL | 02M408

Professional Performing Arts School (PPAS) is a citywide school serving grades 6-12. Eligible students are invited to audition for the PPAS middle school theatrical arts program which includes acting, singing, and dance instruction from professionals in these fields along with an accelerated academic program. Students will be considered for enrollment based on academic performance and audition. More information on the process is available on the school website ppasnyc.org.

To be considered for a PPAS audition, you must rank PPAS as one of your choices on the middle school application that you receive from your child's current elementary school. If your child is a non-public school student, you can get an application from a Family Welcome Center. All candidates must be residents of New York City at the time of application.

This is a list of New York City charter middle schools located in District 22 that are projected to offer sixth grade by the 2017-2018 school year. Please note that not all charter schools accept applications for new students in sixth grade. For current admissions information, please contact each school directly and learn more at **schools.nyc.gov/charters**.
