School Type: Elementary / Middle School

Do parents feel welcome in this school?
Do teachers feel supported by the principal?
Do students say this school sets high expectations?

This report is a summary of the answers given by your school's parents, teachers, and students to these and all of the other questions on the 2007-08 Learning Environment Survey.

Who took the survey?

	Your School	Citywide
161	Parents (41%)	347,829 (40%)
31	Teachers (70%)	48,002 (61%)
81	Students (65%)	410,708 (78%)

Each question is assigned to one of four categories and each category measures an element of a school's learning environment. **How well does your school do the following?**

Academic Expectations	Communication	Engagement	Safety and Respect
Encourage students to do their best by developing rigorous and meaningful academic goals.	Provide information about the school's educational goals and offer appropriate feedback on each student's learning outcomes.	Engage all parents, teachers, and students in an active and vibrant partnership to promote student learning.	Ensure that all members of the school community feel physically and emotionally secure, allowing everyone to focus on student learning.

Parent, teacher, and student answers on the survey determine the survey category scores from 0 to 10. These scores are used to compare schools on a scale from 0% (the lowest-rated school in the City) to 100% (the highest-rated school in the City). For example, a Progress Report City Horizon Score of 60% means your school is 60% of the way from the lowest to highest scoring school in the City for that category. **How does your school compare to other Elementary / Middle Schools?**

	Survey Score (0 – 10)	Progress Report City Horizon Score (0 – 100%)	Your School's Overall Survey Scores Compared to Other Elementary / Middle Schools (0% – 50% – 100%)	Change in Score from Last Year
