Learn about Community and Citywide Education Councils!

Community and Citywide Education Councils (CCECs) play vital roles in City schools, as they help shape important decisions in school districts across the five boroughs.

CCEC work includes:

- Hosting town halls with the Chancellor
- Advising on education policies, improvements to school buildings, and superintendent and parent coordinator appointments
- Collaborating with superintendents to improve student achievement
- Deciding on zoning lines and consulting on school closures and co-locations
