School Overview

At the Talented and Gifted School for Young Scholars, faculty, parents, and students work together to prepare all students to excel in life and develop to their full intellectual and social potential. As part of a collaborative effort we seek to: inspire inquiry, creativity, and achievement for all of our students. We also strive to inspire compassion, integrity, and respect for all humanity, and to cultivate the belief that we are all life-long learners. Believing in the dignity and worth of each individual, whether adult or child, we recognize our responsibility to provide an educational program that stimulates and challenges each person. Through this collaborative effort, we promote physical and emotional well-being and develop each student's individual interests and talents. We provide a strong educational program in which all students are encouraged to develop critical and creative thinking skills and design meaningful educational experiences that promote academic and personal growth. ...
