### School Overview

Redwood is a small middle school that offers students exciting academic opportunities including STEM course work, Regents classes in 8th grade, foreign language, and much more. Students are required to attend school from 8:10 AM - 2:30 PM. Students are strongly encouraged to sign up for our after-school program which runs from 2:30- 5:00. During this time students engage in both academic work and enrichment clubs like STEP, Computer Coding, Student Council and much more. Our students are well-known by all staff members and participate in advisory three times a week. Advisory groups work together on identifying school, community, and global issues and creating service learning projects around those issues. Students also participate in week-long mini-courses called Inquiry Explorations. Inquiry Explorations are intended to challenge students through in-depth immersion in compelling topics like stereotypes in fairy tales, forensic science, and photography. ...
