School Overview

"M.S. 129 functions like a family unit. Students and teachers respect one another as individuals. We also respect our school as it is clean and free of graffiti. We are proud to be members of the M.S. 129 Campus! Our new programs are exciting and allow students to take on the challenges of the Common Core. Some of our new programs include: Fountas and Pinnell Guided Reading, Rosetta Stone and Achieve 3000 technology program for our ELL/ESL students, READY test preparation, Code X, CMP3 math, and ""GoMath"". Parents are grateful for the principal's open door policy and the structured disciplinary environment that includes a uniform policy and our high academic expectations. Our goal is to promote independent learning and leadership to all of our students. It is essential that our children understand the value of education. ...
