School Overview

Students enjoy the use of cutting edge technology towards enhanced learning that prepares them to be college and career ready. Teachers ensure that students understand what is being taught through the integration of Common Core Learning Standards. Eighth grade students receive an individualized program that is specifically geared to their strengths and needs, giving them opportunities to take advanced courses in Math, Science, Social Studies, and Foreign Languages. Students participate in a challenging academic program and are well-rounded because of the extracurricular activities and sports. Our parents play an active role in the Parent Teacher Association and School Leadership Team. Parents are constantly informed of school events and of their child's progress via many different digital systems, such as Pupil Path and School Messenger. ...
