School Overview

At Pathways in Technology Early College High School (P-TECH), students drawn to future careers in information technology (IT), computers, engineering, math, and science receive individualized support in preparing for and securing an entry-level position in the highly competitive IT industry. As a founding partner of the school, IBM (and other corporations) will provide all students with internship and training opportunities, exposing them to real-world technology careers. In addition, P-TECH students are able to earn an Associate degree or up to two years of college credit from CUNY's New York City College of Technology – at no cost – while still in high school.
