School Overview

The Bronx Center for Science and Mathematics offers a challenging academic program with a concentration in science and mathematics supported by the study of humanities and the integration of technology across the curriculum. Our school meets the emotional, intellectual, and social needs of all students through a strategic support structure consisting of faculty, students, parents, and the community. We prepare our students for the world of work and/or college through collaboration with our partners. The foundation of our school rests on Seven Core Virtues that prepare our students for citizenship: Respect, Integrity, Honor, Excellence, Commitment, Perseverance, and Service.
