School Overview

DeWitt Clinton High School has a rich history of educating students in the Bronx for over 100 years. This comprehensive high school offers a wide variety of programs to fit every student's needs. These programs are structured as small learning communities (SLCs) where students choose their program of interest. The SLCs offer a personalized, safe, nurturing environment for learning with its own Assistant Principal, guidance counselor, and support staff. Students benefit from the caring of a small school setting within a large school environment and from the range of instructional programs and activities that only a large school can offer. All students receive a core curriculum and begin their SLC specialty in the ninth grade.
