Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2014 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprint.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
P.S.60 understands that arts education is important and should not be overlooked. We recognize that our students love working in the arts because it gives them a sense of pride and accomplishment. We have continued to improve our arts programs based on needs. All classes receive visual arts instruction from two licensed educators. Our grade three students receive dance instruction and perform in the yearly International Dance Festival. Our grade five students receive theater, vocal and dance instruction and star in a Broadway style production. Our students visual art work is posted on the Artsonia website for all to view. Visiting Arts have helped our grade 3, 4 and 5 students create sculptures, mosaics, and silk paintings that are now permanent school exhibits. We end our school year with a dance festival performed by the entire school population (preK-5) which is attended by family and friends. All of our arts programs give our students a chance to shine.
