Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2014 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprint.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
Public School 16 provides arts programs in the four disciplines of dance, music, theater and visual arts for students in grades Pre-K through 5th. Our school-based arts instruction is supported by teaching artists from our established partnership with the cultural organization, Bronx Arts Ensemble. These programs are supported, in part, by public funds from the NYC Department of Cultural Affairs in partnership with the City Council. To support and maintain school-wide arts instruction aligned to the Blueprint for the Arts, the teaching artists collaborate and plan with teachers in addition to providing professional development for classroom and cluster teachers during the regular school day. Students who participated in Latin dance, will perform at CEC District 11's Annual Legislative Breakfast. City Council funding also supports our after school African Dance and Drums program. We also offer arts workshops and provide opportunities for parents to visit arts institutions city-wide.
