Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2014 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprint.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the elementary level, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the middle school level, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the high school level, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
Our school's arts program is aligned with the requirements dictated by the Blueprint for the Arts, Danielson's Framework for Teaching and the Common Core Standards. Our goals are to create high standards for each student in our school, and create a school environment that strongly supports the arts as an essential substance for child development. Our goal is to provide rigorous standards-based arts instruction that will contribute to our students' college readiness. Our students are introduced to and given all the tools necessary in order to perform on a keyboard, brass instruments, reading musical notes and chorus. Students' performance culminates with our concerts throughout the school year. Students are encouraged to perform in multiples forms of art such as theater and dance. We will continue working closely with organizations including Bronx Arts Ensemble, Arts Connection, and Music and the Brain.
