Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2016 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards: http://schools.nyc.gov/offices/teachlearn/arts/blueprints.html.

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the **elementary level**, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the **middle school level**, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the **high school level**, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
PS 107 has a rich and varied arts program. We feel strongly that the arts are a vital aspect of an appropriate education and must be given fair time in our busy academic schedules. Students at PS107 receive weekly instruction from our full-time music teacher and near full-time visual arts teacher. The PTA generously funds additional arts residencies in dance, theater, music, and visual arts such as Alvin Ailey, Creative Stages, and the Brooklyn Museum to help round out our arts instruction. With PTA and parent support, each grade participates in multiple arts-related field trips as well, such as performances at the New Victory Theater, Brooklyn Academy of Music, and Dance Africa. These experiences combined with our residencies and weekly arts instruction provide our students with crucial creative outlets and deeper understandings of these important disciplines while fostering rich connections to broader concepts in literacy, math, social studies and science.
