SCHOOL ALLOCATION MEMORANDUM NO. 50, FY 12

DATE: October 06, 2011

TO: Community Superintendents
High School Superintendents
Children First Networks
School Principals

FROM: Veronica Conforme, Chief Financial Officer

SUBJECT: FY12 RACE TO THE TOP DATA SPECIALIST ALLOCATION

All non-charter schools will be provided funding to support school-based Data Specialists.

The Data Specialist is responsible for ensuring the ongoing accuracy of student and school data in DOE source systems, which will be used to evaluate Common Core integration, to implement Response to Intervention models, and to develop local and formative assessments. He/she is also responsible for understanding and sharing with school staff the importance of source system data as the building blocks of accountability tools such as the DOE Progress Report and New York State accountability metrics.

The Data Specialist is typically a school Inquiry Team member and is particularly suited to being the school expert on understanding the relationship between data inputs in DOE source systems (i.e. Automate the Schools (ATS), Student Transcript and Academic Recording System (STARS), Child Assistance Program (CAP), Galaxy) and data outputs found in the Achievement Reporting and Innovation System (ARIS), Progress Reports, and New York State Accountability Reports.

Regular tasks will be assigned to the Data Specialist around data cleaning at the school level; data verification exercises; and running specialized reports to share with school administration. Principals and Assistant Principals should provide support needed to allow the Data Specialist to delegate many of these tasks to other school personnel, such as the Pupil Accounting Secretary or the Program Chair. The Data Specialist will also serve as the first point of contact at the school with respect to ARIS and DOE source system issues.

Training and support for the Data Specialist will be provided by the Data\IT Liaison at the school's Children First Network.

The goal will be to provide ongoing and productive support for the Data Specialist in the areas listed herein:

- Ongoing Data Specialist Training
- Verification of Progress Report and NYSED Accountability Data

- Data Cleaning Techniques
- Understanding DOE Data Business Rules
- ARIS
- Provision of DOE Data Calendar with Time-Sensitive Tasks to be Completed

The allowable cost factors will include:

- Supervisor Per Session
- Principal Per Session
- Teacher Per Session
- Guidance Counselor Per Session
- Prep Period Coverage/Per Diem

Programmatic information provided by the Division of Academics, Performance, and Support. Table 1 presents each school's allocations. Funds should be scheduled in the allocation category **"ARRA RTTT Data Specialist"** and **"ARRA RTTT Data Specialist CW".**

School funding to support Data Specialists is allocated based on school size. Schools are broken into 3 tiers based on estimated enrollment:

Tier 1: Less than 1,500 students

Tier 2: 1,500 to 3,000 students

Tier 3: 3,000+

	Tier 1	**Tier 2**	**Tier 3**
Allocation	$2,215 per school	$2,515 per school	$3,015 per school
