SCHOOL ALLOCATION MEMORANDUM NO. 08, FY 2017

DATE: **May 27, 2016**

TO: **Community Superintendents**
High School Superintendents
Field Support Center Teams
School Principals

FROM: **Raymond J. Orlando, Chief Financial Officer**

SUBJECT: **Title I School Allocations**

This memorandum allocates Title I funds to schools.

Title I funds must be used to bridge the gap between low-income students and other students. The U.S. Department of Education provides this supplemental funding to local school districts to help meet the needs of at-risk and low-income students.

Every Student Succeed Act (ESSA)
On December 10, 2015, President Obama signed into law the Every Student Succeed Act (ESSA), which reauthorizes the Elementary and Secondary Education Act (ESEA) of 1965. While ESSA includes many policy changes, **the effective date of ESSA has been extended to next year, School Year 2017-18**.

This extension allows State Education Departments across the country to adapt to new legislative changes, to consult with various groups affected by the reauthorization, and to create and issue new guidance and regulations, some of which will have a direct impact on school allocations in FY 2018.

For FY 2017, allocations of federal dollars covered by ESSA will be issued using the same methodology as FY 2016. School allocations will be based on the No Child Left Behind Act of 2001 and the current Title I formula as per the ESSA transition provisions.

ESEA Flexibility Waiver
In FY 2013, NYSED received a waiver granting schools in New York State additional flexibility with regard to the use of Title I funds, and this waiver remains in effect this year.

NYSED will issue guidance to transition the approved ESEA Flexibility Waiver to the new ESSA requirements. School districts will continue to be subject to the same Title I administration requirements as are in place for the 2015-16 school year. Therefore, any identified Focus Districts will be required to continue the implementation of interventions applicable to priority and focus schools during the 2016-2017 school year.
In FY 2017, school allocations are based on the No Child Left Behind Act of 2001 and the current Title I formula as per the ESSA transition provisions. Note that all federal funding issued in FY 2017 is

preliminary and may be subject to change during the year. Final allocations will be subject to final NYSED allocations to Local Education Agencies (LEA) and final Congressional Authorization.

PUBLIC SCHOOL ALLOCATIONS

Title I instructional costs are equitably distributed between public and non-public schools, after deducting the allowable set-asides. Set-asides include funding for parent education and priority and focus schools. These funds are allocated separately to schools. The Title I budget, net of these adjustments, is allocated to elementary, middle, and high schools on a per capita basis using the number of eligible children attending Title I designated schools.

Special education classes provided in compliance with students' Individual Education Program (IEP) reduce the need for supplemental Title I services. As a result, Citywide Special Education Title I resources will be used to enhance supplementary Title I programs in elementary, middle, and high schools in all schools. This policy has been in effect since FY 1994.

The public school Title I county per capitas are:

	City-Wide	Manhattan	Bronx	Brooklyn	Queens	Staten Island
Public School Allocation Per Capita	$888.56	$764.77	$1,035.14	$958.21	$692.38	$1,052.06

Students in Temporary Housing (STH)

In accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students residing in temporary housing (STH). Also, federal law requires all STH students to be Title I eligible regardless of the school they attend. Consequently, a non-Title I school will receive a Title I allocation for STH students. This allocation is calculated by multiplying the number of STH children enrolled by their respective county per capita amount.

The funds allocated for these pupils should be used to assist STH children in meeting the State's challenging academic content and academic achievement standards as well as assisting them when they have urgent needs. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

In FY 2017, schools must select a program description in Galaxy to identify funds that are being spent for STH students:

STH Academic Programs
STH Basic Emergency Supplies
STH Counseling Services
STH Data Collection
STH Extended Library Hours
STH General

STH Intervention Programs
STH Outreach Efforts for Support
STH Parental Involvement
STH Research Based Programs
STH Transport Moved To Perm Housing

Title I schools are required to set aside or schedule a minimum of $100 per STH pupil. In determining how much to set-aside for STH, schools must factor in their responsibility for covering emergency supply needs for the entire year. Non-Title I schools are required to schedule the per capita funding as indicated by borough. For more information on the acceptable usage of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I, Part A Set-Aside for Students in Temporary Housing Frequently Asked Questions document on DOE's website.

School-wide Programs

A school-wide program (SWP) is based on a comprehensive school-wide program plan designed collaboratively at the school level to improve instruction. In addition to providing challenging content, the school-wide program plan incorporates intensive professional development for staff and collaboration, where appropriate, with community organizations to strengthen the school's program. Funds are intended to improve academic achievement school-wide so that all students, particularly the lowest achieving students, demonstrate proficiency in the State's academic standards. Schools must apply and be approved to become school-wide programs.

Schools that do not become SWP are considered to be "Targeted Assistance" and are subject to more restrictive guidelines.

Funds are to be used only for students who are academically at-risk.

Conceptual Consolidation

Title I School-wide Program (SWP) schools are expected to use the flexibility available to them to integrate services and programs with the aim of upgrading the entire educational program and helping all students reach proficient and advanced levels of achievement.

In addition to coordinating and integrating services, School-wide Program schools may combine most Federal, State, and local funds to provide those services.

By consolidating funds from Federal, State, and local sources, a School-wide Program school may address its needs using all of the resources available. This gives a school more flexibility in how it uses available resources to meet the identified needs of its students.

Title I SWP schools are able to use Title I, Title I School Improvement 1003(a), Title IIA, and Title III funds for any purpose allowable under the cost factor, as long as they uphold the intent and purpose of each program which is described in the school's CEP.

The flexibility of these funds will help ease the hardship of reduced funding. Having this flexibility in a fund source such as Title I SWP will be highly advantageous. While NYCDOE is encouraging its SWP schools to conceptually consolidate most Federal, State and local funding received, the following federal Title funds will not be eligible for consolidation in 2016-17:

- IDEA, Part B
- Title I 1003(g) School Improvement Grants (SIG) and Title I School Innovation Funds (SIF)
- Title I Socio-Economic Integration Grant
- Persistently Struggling School Grant
- Federal competitive grants, including Title II, Part B, Title IV, Part B – 21st Century, and Title X, Par C- Homeless Education – McKinney Vento

In addition, the following Federal requirements also provide limitations:

- Title I (Federal limitation): The required Title I set-asides must be used for the specific intended purposes and cannot be included in the consolidation. These set-asides are as follows:
  - Title I, Part A: 1% for parent involvement
  - Title I, Part A: An additional 1% for parent education for Priority and Focus Schools

Parent Involvement

A minimum of 1% of a school's allocation of Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Each Title I school must jointly develop a Parent Involvement Policy (PIP) that describes how the school will carry out the parent involvement requirements aligned with student achievement goals, including the development of a school-parent compact in the School Comprehensive Education Plan (SCEP). The jointly developed PIP must align closely with the Title I Parent Involvement set-aside expenditures.

This year new allocation categories have been created to easily identify and monitor the 1% set aside. The remaining balance of the Title I entitlement is for instructional services. See below for a list of Title I allocation categories. The allocation categories are assigned based on a school's Title I status (SWP, TA, STH for Non-Title I, etc.) Note that parent involvement allocation categories cannot be conceptually consolidated.

Funds can be scheduled in Galaxy and expended in only the following titles exclusively for the use for parent involvement services:

Object/Line Code	Description
400	Parent Involvement (489)
451	Local travel
633	Pupil Transportation
3002	Teacher Per Session
6014	Bulk School Aide Per Session

Highly Qualified Teachers

Schools must continue to ensure that all teachers of core academic subjects (English, reading or language arts, mathematics, science, foreign language, civics and government, economics, the arts (visual & performing), history and geography) teaching in a program supported with Title I funds are highly qualified. Schools should use the BEDS survey to identify teachers who need additional certification.

Fiscal set asides for highly qualified teachers are no longer mandated.

Please refer to Division of Human Resources guidelines for additional information.

Professional Development

On-going professional development of all teachers continues to be required and addressed in the school's Comprehensive Educational Plan (CEP).

Fiscal set asides for professional development are no longer mandated.

NON-PUBLIC SCHOOL (NPS) AND NEGLECTED CHILDREN APPROPRIATION

Non-Public Schools:

The law requires use of comparable criteria to distribute Title I funds to public and non-public school students. These mandates are satisfied by identifying free lunch eligible non-public school students who reside in the attendance zone areas of Title I designated public schools (see below).

Title I funds are divided among each borough's Title I eligible student population to yield the borough's Title I per capita. The eligible population includes public school, non-public school and neglected children. The per capita multiplied by the respective non-public eligible pupil count becomes the Non-Public School share of the Title I appropriation. The measure of poverty for non-public school children uses the same data described above for public school students. The difference is that non-public schools provide free lunch information through an on-line database.

Federal law prohibits the targeting of non-public schools for Title I purposes. Consequently, to identify a non-public school Title I eligible pupil, the following procedure is used:

- Low income non-public school pupils are identified using the same measure as public schools;
- The address of a low income pupil is mapped to a public school attendance zone for the appropriate age and instructional level;
- If the attendance zone is that of a Title I public school, the NPS student is Title I eligible;
- If the attendance zone is that of a Non-Title I public school, the NPS student is not Title I eligible.

The public school attendance zones include the Title I schools that meet the established poverty cutoff rates.

Neglected Children:

The Neglected Children Title I appropriation is also calculated by multiplying the county per capita by the respective count of neglected children count, as reported by the NYSED. Neglected Children programs are administered by the Alternative High Schools Programs.

FS10 Snapshot

All Title I, Title IIA, and Title III LEP and Immigrant allocations must be scheduled completely in Galaxy by **2:30 pm Friday, July 29, 2016**, at which time an FS10 snapshot will be taken.

Funds that have been scheduled and approved will appear on the state's FS10 financial document and will be submitted - along with budget narratives - for review and approval by the New York State Education Department. All funds should be scheduled in support of the school comprehensive education plan (SCEP/CEP).

Title I appropriations do not include increases for collective bargaining. Tax levy funds will be provided for staff rolled over in Galaxy to FY 2017, and for per session, per diem, prep coverage and F status services scheduled in Galaxy in FY 2016 as of April 26, 2016.

Funding for collective bargaining will be placed in the **TL CB School Staff** allocation category. Refer to SAM #6 for details.

The Title I allocations will be placed in Galaxy in the following allocation categories:

- **Title I SWP**
- **Sequester/2010 Census Title I SWP**
- **Title I Targeted Assistance**
- **Sequester/2010 Census Title I TA**
- **Title I STH for Non Title I Schools**
- **Sequester Aid Title I STH for Non-Title I Schools**
- **Title I SWP Parent Involvement**
