CAREERCLUE PROGRAM FOR CURRENT 9TH, 10TH, and 11TH GRADERS

The **CareerCLUE** program (Community Learning, Understanding, and Experience) program supports both students' academic skills and confidence, developing understanding of key issues in New York City-related career options. Current 9th, 10th, and 11th graders attending Renewal High Schools have the opportunity to earn a \$500 attendance incentive for their participation in the program. Delivered in partnership with classroom teachers and Solar One, a NYC-based non-profit environmental education organization, CareerCLUE explores topics such as emerging clean technologies, renewable energy, battery storage, demand management, water technologies, biomimicry, storm water management, and hydroponics. The program takes place at Dreamyard Preparatory School (Bronx) and Automotive High School (Brooklyn), but is open to students at Renewal Schools.

PROGRAM RUNS

JULY 7 – AUGUST 16, 2016

Monday – Thursday, 9:00AM – 2:00PM
