**Department of  
Education**

*Carmen Fariña, Chancellor*

Dear Families,

High quality pre-kindergarten (pre-k) is an important investment in our children and the future of our City. Pre-k gives us an opportunity to support your child's success as early as possible. We have been working hard to create more full-day pre-k options, starting with an increase in programs for this September.

We are thrilled to share the list of additional public school pre-k programs that will be available for the 2014-2015 school year. This *Pre-Kindergarten Expansion Guide* contains information about these new full-day programs, and instructions for including them on your pre-k application.

**The deadline to submit your public school application is Wednesday, April 23, 2014.** If you have questions, please do not hesitate to call 718-935-2009 or email [ES\\_Enrollment@schools.nyc.gov](mailto:ES_Enrollment@schools.nyc.gov).

We look forward to working with you to ensure that your child reaches his or her potential, beginning with an enriching and exciting first year of school.

Sincerely,

Mayor Bill de Blasio  
Chancellor Carmen Fariña

## **WELCOME!**

Thank you for your interest in New York City public school pre-kindergarten programs!

The *Pre-Kindergarten Expansion Guide* contains information about new full-day public school pre-kindergarten (pre-k) programs that are available for the 2014-2015 school year. Please use this guide along with the Pre-K Directory to learn about the pre-k admissions process, and the new program options available for your child.

## **Pre-K Admissions: The Basics**

- New York City children who turn four years old in 2014 are eligible to attend pre-k programs offered by the New York City Department of Education.
- Pre-k is free. You do not have to pay to attend the public school pre-k programs in New York City.
- Programs can be half-day (2 hours and 30 minutes) or full-day (6 hours and 20 minutes). Half-day programs may take place in the morning (AM) or afternoon (PM).
- Pre-k is offered at public schools and community-based organizations (CBOs); there are separate application processes for each program type.

## **How to Apply**

There are two ways to complete or update your public school pre-k application:

1. Online at [nyc.gov/schools/prek](http://nyc.gov/schools/prek); or
2. In person at an Enrollment Office.

Please do not submit your application by mail or to a school directly. The online and paper applications are the same.

### **Apply Online**

The online application is available at [nyc.gov/schools/prek](http://nyc.gov/schools/prek).

- You will need an email address in order to set up an account online.
- The online application is available in English and Spanish. Step-by-step instructions for completing the application can be found on the application page in English and 9 additional languages.
- After you submit your application, you will receive a receipt by email.

If you already submitted a public school pre-k application online, you may log into your account to update your application program choices at any time before the deadline.

*The deadline to apply online is 11:59 p.m. on Wednesday, April 23, 2014.*

## Apply In Person

Visit an Enrollment Office (open from 8:00 a.m. to 3:00 p.m., Monday through Friday)

- Enrollment counselors are available to help you complete your application.
- Interpretation services will be available in over 150 languages. After you submit your application, you will receive a receipt from the Enrollment Office.

If you already submitted a paper application at an Enrollment Office, you may submit a new application to an Enrollment Office with updated program choices at any time before the deadline.

*The deadline to apply in person at an Enrollment Office is 3:00 p.m. on Wednesday, April 23, 2014.*

## Pre-K Admissions Priorities

Students are considered for placement at each program listed on their application according to a priority order called Admissions Priorities. Students who fall in the first priority group will be placed first; students who fall in the second priority group will be placed second; and so on. There is no guarantee of placement in a public school pre-k program.

Living in the zone or district of a school, having a sibling who attends a school, and not having pre-k in your zoned school are all factors that impact which priority group your child falls in for a given school. For more information about pre-k admissions priorities, please review pages 3 and 103 of the Pre-K Directory, which is available at [nyc.gov/schools/prek](http://nyc.gov/schools/prek).

## Community-Based Organization (CBO) Pre-K Programs

This guide only contains information about new public school pre-k options. Information about new full-day CBO pre-k options will be available in June 2014. For more information about CBOs, review pages 78-98 in the Pre-K Directory. You can also call 718-935-2009, visit our pre-k website ([nyc.gov/schools/prek](http://nyc.gov/schools/prek)), or subscribe to our pre-k email list ([nyc.gov/schools/subscribe](http://nyc.gov/schools/subscribe)) for updates.
