

At Park Place Community School (M.S. 266), our mission is to create an environment that promotes respect for racial and cultural diversity, to deliver a rigorous academic curriculum, to utilize best practices for middle school education, to utilize community and technological resources to increase opportunities for intellectual and social development, and to develop well-rounded students through participation in the arts. All of our students receive an opportunity to graduate with high school Regents credits in math, science, and foreign language. They also have a personal planner, access to online Jupiter Gradebook to monitor academic progress, a school email address, and opportunities to learn chess and to travel out of the state of New York. In 2013, our students traveled to Washington, DC to witness the Presidential Inauguration. We offer three distinct programs for our students: STEM Institute, Liberal Arts Institute, and Arts Institute.

DISTRICT SCHOOL
Neighborhood: Park Slope
Address: 62 Park Place, Brooklyn NY 11217
