

Activity Book

Social Media Guidelines

For Students 12 and Younger

Introduction

Social media is fun and educational when used responsibly. These games are designed to help you better understand how to use social media safely and respectfully. The games in this activity book use vocabulary and ideas from the social media guidelines you have just read.

Read the guidelines and then complete at least one game from each of the following sections:

- Create the Digital Image You Want
- Post Responsibly
- Consider the Consequences of Your Online Actions
- Take Cyberbullying Seriously

Additionally, you may cut out and fold the two fortune teller games, and then play with a friend to discuss the messages.
