The Proposed Co-Location of a New Public Charter School, Brooklyn Success Academy, with Existing Schools Urban Assembly School for Urban Environment (14K330), Foundations Academy (14K322), a District 75 School (P368K@I033K) and an Alternative Learning Center in School Building K033

I. Description of the subject and purpose of the proposed item under consideration.

On January 14, 2011, the New York City Department of Education (“DOE”) issued a proposal to site Brooklyn Success Academy Charter School (“Brooklyn Success”), a new public charter school that would serve students in kindergarten through fourth grade, in Building K033 (“K033”), located at 70 Tompkins Avenue, Brooklyn, NY 11206, in Community School District 14. This second amended notice provides a new date for the hearing at building K033.

Brooklyn Success would be co-located in K033 with Urban Assembly School for Urban Environment (14K330, “Urban Environment”), an existing DOE district middle school that serves sixth through eighth grade, Foundations Academy (14K322, “Foundations”), an existing high school that serves ninth through twelfth grade, and an existing District 75 school (75K368, “P368K@I033K¹”) serving students in sixth through eighth grade. The building also houses an Alternative Learning Center (88K988, “ALC”), a suspension center serving students in ninth through twelfth grades. A “co-location” means that two or more school organizations are located in the same building and may share common spaces like auditoriums, gymnasiums, libraries, and cafeterias.

If this proposal to site Brooklyn Success in K033 is approved, Brooklyn Success would be co-located with Urban Environment, Foundations, and P368K@I033K in K033, as well as the ALC. In 2011-2012, the first year of the proposed co-location, Brooklyn Success would enroll approximately 82 students in kindergarten and 108 students in first grade. In 2012-2013, Brooklyn Success would expand to serve second grade for a total enrollment of 249 students. In 2013-2014, Brooklyn Success would expand to serve third grade for a total enrollment of 352 students. In 2014-2015, Brooklyn Success would serve approximately 424 students in kindergarten through fourth grade at full scale.

K033 has been identified as an under-utilized building, meaning it currently has at least 300 seats available. In 2009-2010, the most recent year for which audited data is available, K033 had a

¹ P368K is sited at three other locations throughout Brooklyn: P368K@P120K, located at 18 Beaver Street, Brooklyn, NY 11206; P368K@H429K School for Global Studies, located at 284 Baltic Street, Brooklyn, NY 11201; and P368K@Brooklyn Children Ctr., located at 1819 Bergen Street, Brooklyn, NY 11233. This co-location proposal is not anticipated to impact any of these other sites.

target capacity to serve 1,213 students. The three schools within the building and the ALC enrolled a total of 466 students—209 students at Foundations, 140 students at Urban Environment, 75 students at P368K@I033K, and 42 students at the ALC. Thus, the target building utilization was 37%. Although the building has the capacity to serve 1,213 students, in 2010-11, K033 only served 459 students, which yields an estimated utilization rate of 36%. In 2014-15, when Brooklyn Success completes its expansion and achieves full scale, K033 would serve approximately 795-865 students, which yields an estimated utilization rate of 68%. No later than the 2013-14 school year the ALC at K033 will be re-sited to an alternate location within District 14 or to a district in need of an additional ALC.
