Quality Review Score (2008-2009): Proficient

Overview

Our challenging program is designed around college and career preparedness and aligned with Common Core Learning Standards. We maintain high standards and infuse global themes throughout content areas. Students take four years of a world language and present comprehensive portfolio projects as well as summer projects. Teachers work collaboratively to challenge students' thinking and prepare them for college. To that end, we offer credit-bearing college courses. Students will have the opportunity to travel and/or participate in foreign exchanges fostering cross-cultural learning and global competence. All students are enrolled in Advisory classes to enrich communication skills, social proficiency and global awareness.

Academic Opportunities

Program Highlights: Various college courses in collaboration with College of Staten Island; International Journalism, UNICEF, College Now, Global Art, Digital Photography, Dual Credit Program, CSI Tuition Waivers, Forensics, International Travel Program, Exchange and Language Immersion Programs, Internship opportunities

Language Classes: Chinese (Mandarin), Japanese, Spanish

Advanced Placement Classes: Biology, Calculus AB, English Literature and Composition, Government and Politics: Comparative, Studio Art: 2-D Design, United States History

Extracurricular Activities and Clubs

Academic Intervention, Advisory, Book, Cheerleading, Chess, Computer & Tech, Debate, Digital Photography, Dragon Dance Team, Drama, Forensics, Guitar Ensemble, International, It Gets Better, Japanese Culture and Language, Journalism, Key Club, Literary Magazine, Model UN, National Honor Society, Peer Leaders, Peer Tutoring, Percussion Ensemble, Photography, SAT Prep, Senior Council, Senior Instructional Leadership Core (SILC), SING, Taiko Drumming and Ukulele Ensemble, Yearbook

PSAL Sports – Boys: Basketball & JV Basketball, Cross Country, Indoor Track, Outdoor Track, Soccer

PSAL Sports – Girls: Basketball, Cross Country, Flag Football, Outdoor Track, Soccer, Softball, Volleyball

PSAL Sports – Co-ed: Fencing, Wrestling

School Sports: Baseball Independent League, Dance, Cheerleading

Admissions Priorities and Programs

Admissions Priorities

1. Priority to Staten Island students or residents
2. Then to New York City residents
3. **For Zoned Program only:** Guaranteed offer to students who apply and live in the zoned area

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants
Future Teachers Academy	R20A	Teaching	Ed. Opt.	9	68	306
				10	10	12
Program Description: A teacher preparatory program which includes courses in Child Development, Psychology, Children's Literature, Teaching Methodology, as well as a college credited education course. A student teaching component is required.						
Law, History & Human Rights Institute	R20C	Law & Government	Ed. Opt.	9	68	373
				10	10	18
Program Description: This program is sponsored by the Gilder Lehrman Institute of American History and partners with the Justice Resource Center. It prepares students for majors that lead to careers in the legal field. Students take courses in Criminal Justice, Family and Civil Law, Constitutional Law, Legal Research, and Mock Trial & Debate and participate in Internships. Through these courses, students attend field trips and compete in Mock Trial and Moot Court competitions. Students also have the opportunity to take Advanced Placement and College Extension courses in History and Government. Students will have the option to choose a major sequence in Law or Air Force JROTC.						
Corporate Center for Business and Technology	R20E	Business	Ed. Opt.	9	68	447
Program Description: Challenging program that allows students to select one of two strands: the software engineering program, which exposes students to various topics including computer programming, robotics, and web design; or the Virtual Enterprise program, which is a NYS-Approved CTE sequence that includes in-depth study of business and computer applications, coupled with simulated corporate experience.						
Institute of Health Sciences	R20F	Health Professions	Ed. Opt.	9	68	511
				10	10	20
Program Description: An academically rigorous program that will prepare students for college as well as careers in the health care professions. Career focus includes physicians, nurses, athletic trainers, physical therapists, occupational therapists, medical technologist and medical assistants. Individual mentoring, diversified courses and internships are the core of this program. Students will be able to choose a major sequence in Health Sciences/Pre-Physical Therapy or Culinary Arts.						
Academy of Communication and Media Arts	R20M	Communications	Ed. Opt.	9	68	422
Program Description: Students explore and utilize various forms of media such as television, film, internet, radio and print. With a major focus on hands-on instruction, this program prepares students for relevant college majors with exposure to careers in all areas of Media.						
Academy of Fine and Dramatic Arts	R20P	Performing Arts/Visual Art & Design	Ed. Opt.	9	68	376
Program Description: A four-year academic program with a strong emphasis on the Arts. Students explore Fine Arts, Performing & Dramatic Arts, Instrumental music, Vocal music and Dance early in their high school career and move towards a major focus following their sophomore year.						
Math & Science Institute	R20S	Science & Math	Screened	9	68	518
Program Description: As a STEM (Science, Technology, Engineering, and Mathematics) program, students are prepared for majors that lead to careers in medicine or engineering. Students participate in internships, regional and national competitions, professional conferences, and field trips. Advanced Placement, College Now, College Extension and SAT preparation courses, as well as medical and engineering electives, are offered.						
Selection Criteria						
<ul style="list-style-type: none"> • English (85-100), Math (85-100), Science (85-100) • Standardized Test Scores: Math Levels: 3-4; English Language Arts Levels: 3-4 • Review of Attendance & Punctuality 						
Institute of Forensic Science and Criminology	R20T	Science & Math	Ed. Opt.	9	68	550
Program Description: This program exposes students to real-world applications of Forensic Science through hands-on instruction, while incorporating this theme in all subject areas. Top level Forensics specialists share their experiences on-site and through field study.						
Zoned	R20Z	Zoned	Zoned	9	Guaranteed offer to students who apply and live in the zoned area

Overview

Using small, interest-based learning communities and a rigorous honors program open to students from all academies, we are a comprehensive community that empowers students to reach their highest academic potential while providing a nurturing environment. All ninth graders participate in the Freshman Academy. During the students' first year, this academy provides a culture of high standards, advanced courses and academic supports that address individual student needs. Our students are exposed to a wide array of extracurricular and athletic activities in combination with a challenging academic program that prepares them for college and the world of work.

Overview

McKee prepares you for College, Career and Life. Here, you learn more, whether your dream is to design the most iconic building in New York City or join Local 20. At McKee, we have small classes, committed faculty, secure grounds, and sophisticated technology. We provide you with the knowledge, study habits, resources, and guidance to not only go to college, but to shine once you do. We equip you with the skills and certifications to immediately start your career in fields like construction, drafting, electrical engineering, graphic arts and software engineering. We teach you to think for yourself, so that you graduate ready to make your mark on the world. We know you – your name, where you are from, how you learn, where you struggle – and you will never be just a number...ever. Remember – McKee: College, Career, and Life.

Academic Opportunities

Program Highlights: Students may receive CTE endorsement in the following areas: Automotive, Graphic Design, Construction Technology – Carpentry; Scholars Institute: Honors Courses; Advancement Via Individual Determination (AVID), Project Lead The Way, Work-based Learning, State & Industry Certifications, McKee Advertising Design Enterprise (MADE), Italian, Art, Precalculus, Calculus, College Now, After-school Tutoring
Language Classes: Italian
Advanced Placement Classes: Biology, English Language and Composition, English Literature and Composition

Extracurricular Activities and Clubs

Community Service Projects, Black Box Theater, Conflict Resolution, Link Employment and Responsibility Now (LEARN), PM/Saturday School, SAT Prep, Dance/Step, Computer Graphic Arts, National Honor Society, National Technical Honor Society, Peer Mediation, Robo-Wizards (Robotics), Student Government, SkillsUSA, Yearbook Committee, Young Men's Alliance, Young Women's Alliance
PSAL Sports – Boys: Baseball & JV Baseball, Basketball & JV Basketball, Bowling, Cross Country, Football, Golf, Handball, Indoor Track, Outdoor Track, Soccer, Swimming, Tennis, Volleyball, Wrestling, Table Tennis
PSAL Sports – Girls: Basketball & JV Basketball, Bowling, Cross Country, Golf, Handball, Indoor Track, Outdoor Track, Soccer, Softball, Swimming, Tennis, Volleyball & JV Volleyball, Table Tennis
PSAL Sports – Co-ed: Fencing
School Sports: Adaptive Physical Education, Cheerleading

Admissions Priorities and Programs

Admissions Priorities

1. Open to New York City residents

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants

<p>Program Description: Academic Comprehensive Program</p>						

ELA and Math test results will not be the sole, primary or major factor in admissions decisions, consistent with applicable law. Instead, multiple measures, which may include State test results, will be used to make admissions decisions for screened/audition programs.
