

Notice of Joint Public Hearing and Amended Educational Impact Statement

Proposal: The Amended Proposed Co-location of a New Public Charter School, Brooklyn Success Academy Charter School 2 (84KTBD) with Existing School P.S. 59 (14K059) in Building K059 beginning in 2012-2013

This is a proposal to open and co-locate Brooklyn Success Academy Charter School 2 (84KTBD, "Success Academy Bed-Stuy 2"), a new public charter school, in Building K059 with P.S. 59 William Floyd (14K059, "P.S. 59"). A "co-location" means that two or more school organizations are located in the same building and may share common spaces like auditoriums, gymnasiums, and cafeterias. On October 28, 2011, the New York City Department of Education ("DOE") issued an Educational Impact Statement ("EIS") describing a proposal to co-locate Success Academy Bed-Stuy 2 with P.S. 59 in Building K059 beginning in 2012-2013. The DOE has now published an amended EIS, which corrects the grade span that Success Academy Bed-Stuy 2 has been approved to serve, clarifies the status of Success Charter Network's¹ plans to seek authorization from its charter authorizer to change the lottery preferences for Success Academy Bed-Stuy 2, amends the proposed grade span chart to include the same years as the proposed enrollment chart, and changes the title of the EIS to reflect Success Academy Bed-Stuy 2's formal name.
