TO: Principals, Integrated Service Centers Executive Directors, Deputy Executive Directors of Operations, Senior Youth Development Directors, and Safety Administrators of Integrated Service Centers

FROM: Joel I. Klein, Chancellor

SUBJECT: MILITARY RECRUITMENT DIRECTIVE

The No Child Left Behind Act requires the New York City Department of Education to provide the names, addresses and telephone numbers of 11th and 12th grade high school students to military recruiters and institutions of higher learning that request this information, except where the parent or student notifies us that he/she does not consent to release of that information. The law also requires that we give military recruiters the same access to 11th and 12th grade students that is generally provided to post-secondary educational institutions and prospective employers.

The following sets forth procedures the school must follow with respect to opt out letters and military recruitment in the schools. It is also important that You should carefully review this memorandum and follow referenced procedures.

OPT-OUT NOTIFICATION

While we are committed to protecting the privacy of our students, we must comply with the law. Unless a parent or student notifies the Department of Education in writing that he/she does **not** consent to the release of the student's information, we must disclose the child's name, address, and telephone number to military recruiters and institutions of higher learning at their request.

Therefore, the attached letters must be distributed to all parents and students in the **11th and 12th grades**. The parent letter must be mailed to the home, and the student letter must be distributed in school **between the dates of September 26, 2007 and October 5, 2007**.

Procedures to Follow

Each principal must mail the attached parent opt-out letters to parents, and distribute the attached student opt-out letter to students, according to the following instructions.

- Order parent address labels for ALL 11th AND 12th GRADE STUDENTS through ATS.
- Photocopy on school letterhead the attached PARENT letter and opt-out form and mail first class **between the dates of September 26, 2007 and October 5, 2007** to the parents of ALL 11th AND 12th GRADE STUDENTS.

- Photocopy on school letterhead the attached STUDENT letter and opt-out form and distribute **between the dates of September 26, 2007 and October 5, 2007** to ALL 11th AND 12th GRADE STUDENTS. If possible, students should be given time in homeroom or advisory to read the letter and fill out the form if desired. Guidance should be provided to students who request it.
- Enter the names of students who have opted out and/or whose parents have opted them out into the ATS system. Schools should use the ATS function, UPCO, to enter the opt-outs.
- Requests for student information from military recruiters and institutions of higher education will be made directly to the school. In order to generate this information, schools may use the ROPO Report on ATS. Schools will select either the Opted Out from Military Recruiters or Opted Out from Institutions of Higher Learning. Care should be taken to send the appropriate reports as students may be opted out of one and not the other category.
- Designate a staff member who will serve as the point person and who will create a system to ensure that when lists are prepared for either Institutions of Higher Education or Military Recruiters, that the students who have opted out of each program have been excluded from the appropriate list.
- 11th and 12th grade students who enroll in school after the letters are mailed to parents and distributed to students must be given the opt-out letters as part of the admission/orientation packet and be asked to return the forms within 2 weeks of their enrollment. In addition, the opt-out letter must be mailed to the parents of such students.
- Schools should not respond to any pending requests for release of information until after the first week of November, after entering all opt-out information that has been received from parents and students by that time.
- **THERE IS NO DEADLINE FOR OPT-OUTS. PARENTS AND STUDENTS MAY EXERCISE THEIR RIGHT TO OPT-OUT AT ANY TIME DURING A STUDENT'S CAREER.**
- Unless an opt-out form is received, the school must provide student contact information on request.
- Opt-out letters may be distributed multiple times during the school year at your discretion.

Opt-out letters for parents in 8 languages will be available on the DOE Office of School and Youth Development website: [click here](#)

Recruitment

Federal law also requires you to give military recruiters the same access to students as you give other educational institutions and prospective employers. All visitors must follow the procedures in your building safety plan, such as signing in and out and holding meetings only in designated locations. No visitor should be given unfettered access to students in classrooms, cafeterias, gyms, or other areas of the school building. Information about opportunities in the military should be posted in the same manner and same areas that you post other educational and career information. **Please ensure that classroom time is used only for instruction.** You should generally provide students with information about career, educational, or military opportunities in forums dedicated to that purpose. If, at any time, you feel pressured to open classrooms to military recruiters, please let me know and I will respond.

The attached FAQs have been prepared to assist guidance counselors and college and career offices in addressing students' questions regarding their rights under NCLB with respect to military recruitment in the schools. You should distribute these FAQs to the appropriate school offices.

Thank you for your continued efforts in ensuring that your students and parents receive the necessary information and that the appropriate confidentiality is maintained.

All questions should be directed to Lilian Garelick, 212-374-6095 or lgareli@schools.nyc.gov
