

Occupational Therapy / Physical Therapy Scholarship Program Application

2009-2010

**New York City Department of Education
Office of Related & Contractual Services
49-51 Chambers Street, Room 600
New York, NY 10007**

The Scholarship Program

Since 1990, in order to address staffing shortages, the New York City Department of Education has offered a scholarship program in Occupational and Physical Therapy.

Students in their 3rd, 4th or graduate year of professional study at participating colleges or universities (a listing of which follows) in New York State Education Department accredited programs leading to certification in the shortage areas of Occupational and Physical Therapy are eligible to apply. Scholarships will be granted through a selection process involving an interview and review of academic records, writing samples and references, and is contingent upon continued funding for the program.

PLEASE NOTE: Current Department of Education employees will not receive special accommodations.

Student Eligibility

All applicants must:

- (1) be accepted by one of the participating colleges or universities and enrolled full time in an Occupational or Physical Therapy Program leading to New York State Certification.
- (2) certify that they are citizens or legal permanent resident aliens of the United States and will present proof of such at the time of the interview.
- (3) certify that he/she does not possess a disqualifying record of conviction. All awardees need to be fingerprinted and receive clearance by the New York City Department of Education.
- (4) agree to accept employment as Occupational or Physical Therapists with the New York City Department of Education within six months of graduation from one of the participating colleges or universities and commit to serve for a determined period of time.
- (5) agree to maintain a full time college or university enrollment before the completion of the required courses
- (6) complete the Application for Scholarship and return to Office of Related and Contractual Services postmarked no later than May 8th, 2009 and be available for individual interviews between May and June 2009.

Possible Participating Colleges/Universities:

The DOE is currently in the process of selecting New York State Colleges/Universities for participation in this program from September 2009 through August 2014 which are accredited by the New York State Education Department. If your school is selected to participate in the Scholarship program for September 2009, and completes the contract process with the DOE you may be eligible for a scholarship. For your reference, the schools listed below are those currently under contract with the Department of Education until August 2009 and may be the same schools that complete the contract process again, but this is not guaranteed.

Eligible Institutions

Funds will be provided for scholarship awardees attending participating schools:

- whose programs are accredited by the New York State Education Department in the fields of Occupational or Physical Therapy.
- who have completed the Occupational Therapy/Physical Therapy Scholarship Agreement Contract and meet the deadline date for submission of required documentation.

Awards

Award amounts will:

- be granted for one year and may be renewable for the second year, contingent upon funding and acceptable academic records.
- cover the full cost of **tuition only** for courses directly related to programs in Occupational or Physical Therapy (*during professional phase of program*).

All application fees, books, room/board and other fees **are not included**.

NOTE: The maximum number of years that one is allowed to participate in the scholarship program is two (specifically the last two years of study in that program) – regardless of the length of your study/program.

*In dual degree programs (combination undergraduate and graduate), only the last **two years of professional study** will be eligible for scholarship payment.*

Service Obligation

The service obligation requirement is a period of twenty-four months (each twenty-four month period must include service during two 10-month school years) of employment with the New York City Department of Education within the field of either Occupational or Physical Therapy for each year of scholarship assistance provided. If an awardee receives less than one year of scholarship assistance, the minimum service obligation requirement remains a twenty-four month period (two 10 month school years).

An awardee must commence employment with the New York City Department of Education within six (6) months of graduation. An awardee must possess a New York State license to practice Occupational or Physical Therapy.

The awardee who has failed to commence his/her service obligation will be required to repay the total year plus nine (9%) interest within one (1) year of the last award semester. A pro-rated repayment schedule shall be established for any awardee who completes only a portion of his/her service obligation within the specified period.
