### POSITIONS

School Secretary

### DESCRIPTION

The Fort Hill Collaborative Elementary School, a neighborhood school, prepares students to become leaders who leverage effective habits to ensure social, emotional and academic success. We believe students learn best when they are provided with collaborative learning experiences where they can demonstrate the application of their knowledge through hands-on projects. We use and model higher order questioning to promote student critical thinking and multiple approaches to problem-solving; utilize "lab" investigations to give them real-world experiences and opportunities to work cooperatively; and integrate The Leader in Me Program to develop personal leadership skills and live our core values. We will foster a love of learning and discovery through interdisciplinary projects that emphasize Mathematics and in the Sciences.

Our community of learners will consist of dedicated, motivated, highly qualified educators and staff who are committed to working as a collaborative team to ensure our students are reaching their full academic and personal potential.

A 6-8-day summer planning institute will offer an essential opportunity for staff to be involved in developing the school's culture and instructional program. Because we believe that all staff members play an important role in the education of our students, the school will offer opportunities for secretaries to participate in the school community in a variety of ways:

- In-house school committees and/or special programs
- Evening/Weekend student recruitment and parent outreach events. Afterschool and weekend professional development opportunities
