The Proposed Grade Truncation of P.S. 126 Dr. Marjorie H. Dunbar (09X126) to a K-5 School

I. Description of the subject and purpose of the proposed item under consideration.

P.S. 126 Dr. Marjorie H. Dunbar (09X126, “P.S. 126”) is an existing elementary school, located at 175 West 166th Street, Bronx, NY 10452, in Community School District 9. It currently serves students in Kindergarten through sixth grade and offers a Pre-Kindergarten program. This is a proposal to implement a “grade truncation,” meaning that the school would no longer enroll sixth graders after the current 2010-2011 school year.

Under this proposal, at the close of the 2010-2011 school year, all fifth and sixth graders who meet promotional standards will graduate from P.S. 126. In September 2011, these students will enter middle schools as sixth and seventh graders, respectively. Beginning in 2011-2012, P.S. 126 will serve students only in Kindergarten through fifth grade and continue to offer a Pre-Kindergarten program. From that time forward, P.S. 126 students will move on to middle school for sixth grade.

The Department of Education strives to ensure that all students in New York City have access to a high-quality school at every stage of their education. Having elementary schools that terminate in different grades (i.e., K-5 versus K-6) creates unequal levels of access for students based simply on the year they exit elementary school. Middle schools typically enroll students beginning in sixth grade, and P.S. 126 students have the option to apply to start middle school as sixth graders. Currently, however, most P.S. 126 students transition to middle school for seventh grade, at which point they are limited to the few middle schools which still have available seventh grade seats.

P.S. 126 is the last elementary school in District 9 to serve grades K-6. The proposed grade truncation will help standardize middle school application and entry grades in District 9, giving all P.S. 126 students access to the same range of middle school options as their peers throughout District 9.
