School Mission Statement

Through a commitment to broad-based education for all students — ranging from the basics of reading and mathematics to fine arts and technology — we will teach the next generation of community leaders. To complete our mission, Academic Leadership Charter School will depend on the full commitment of our students, their parents, our teachers, and the administration. With this teamwork, our school will provide a better future for our students, as individuals and as leaders in the community.

School Mission Statement

Bronx Community Charter School is a small learning community founded on the principle that children learn best when they are active participants in their own learning. Our students raise questions about the world around them, engage with a wide range of materials, and learn through their interactions with each other and all of the adults in the school community.

Lottery Preference: Charter schools are required by law to have a preference for returning students, siblings of current students, and students from the school's Community School District (CSD). The school may have additional preferences. Please contact the school for more information on any additional preferences they may have.

Total School Enrollment in 2013-2014: 347

*Enrollment as of October 31st, 2013.

Accountability Data

English Language Arts (ELA) and Math values reflect the percentage of students who performed at or above proficient (level 3 or 4). For more information about Accountability, please see the NYC Department of Education website.

	2011	2012	2013
ELA	40.4%	59.8%	23.8%
Math	59.6%	80.4%	33.1%

*The 2013 ELA and Math proficiency percentages should not be compared directly with prior-year results. Unlike prior years, proficiency in 2013 was based on the Common Core – a more demanding set of knowledge and skills necessary for 21st century college and careers.

School Mission Statement

At Lighthouse Academies, we prepare our scholars through rigorous programs that provide them with a foundation that will allow them to succeed in and graduate from college. Our unique arts-infused curriculum, emphasis on social development and integration of diverse cultural opportunities augments learning and broadens horizons.

School Mission Statement

Equality Charter School strives to provide equal access to high quality education for all students. We do this by providing a high level of academic rigor in a nurturing learning community that will prepare students to be successful in college. We realize high expectations for staff and students by focusing on the integration of goal setting, critical thinking and problem-solving skills. As our students move through this progression, they will develop into "Equality" men and women: high school graduates prepared for educated, productive lives.

English Language Arts (ELA) and Math values reflect the percentage of students who performed at or above proficient (level 3 or 4). For more information about Accountability, please see the NYC Department of Education website.

	2011	2012	2013
ELA	71.8%	74.7%	34.8%
Math	90.7%	90.8%	57.7%

*The 2013 ELA and Math proficiency percentages should not be compared directly with prior-year results. Unlike prior years, proficiency in 2013 was based on the Common Core – a more demanding set of knowledge and skills necessary for 21st century college and careers.

School Mission Statement

The mission of Icahn Charter School 2 is to use the Core Knowledge curriculum, developed by E. D. Hirsch, to provide students with a rigorous academic program offered in an extended day/year setting. Students will graduate armed with the skills and knowledge to participate successfully in the most rigorous academic environments, and will have a sense of personal and community responsibility.

School Mission Statement

The International Leadership Charter School will implement an academically rigorous curriculum that will elevate students' intellectual capacity, provide them with a superior high school education and prepare them for a higher education. Our students will meet and exceed city and statewide assessment averages in Reading, English, Mathematics and Science. We seek to expand students' knowledge of international studies, the social, economic and political issues that affect their daily lives; and to cultivate their leadership skills with a commitment to community service, social action and participation in the global society.

School Mission Statement

The Metropolitan Lighthouse Charter School is a small K – 12 college preparatory program providing students of the South Bronx an opportunity for academic success through a rigorous, arts-infused program. The school uses visual and performing arts to teach research-based curricular programs. Scholars learn to be responsible for their own academic, behavioral, and life choices through the Responsive Classroom system and the Lighthouse Academies curriculum. The school features small class sizes, an extended school day and year, and more.

Enrollment

Lottery Preference: *Charter schools are required by law to have a preference for returning students, siblings of current students, and students from the school's Community School District (CSD). The school may have additional preferences. Please contact the school for more information on any additional preferences they may have.*

Total School Enrollment in 2013-2014: 221

*Enrollment as of October 31st, 2013.

Accountability Data

English Language Arts (ELA) and Math values reflect the percentage of students who performed at or above proficient (level 3 or 4). For more information about Accountability, please see the NYC Department of Education website.

	2011	2012	2013
ELA	N/A	N/A	N/A
Math	N/A	N/A	N/A

*The 2013 ELA and Math proficiency percentages should not be compared directly with prior-year results. Unlike prior years, proficiency in 2013 was based on the Common Core – a more demanding set of knowledge and skills necessary for 21st century college and careers.

School Mission Statement

The New York City Montessori Charter School will empower children to be critical thinkers and creative problem solvers with strong social skills so that they can succeed in their world and continue to learn in their pursuit of higher education as they prepare for careers needed in the 21st Century.

School Mission Statement

Our mission is to create an integrated and rigorous academic and preparatory learning environment that provides students with a foundation of the necessary skills, knowledge, and practical experience to pursue a path leading to college and/ or a career in the construction industry. AECI emphasizes science and math proficiency, effective communication skills, and critical thinking skills through a program of academic excellence, which includes student- engaged and project- based learning, apprenticeships, and mentorship. Our students will learn the importance of supporting their community by applying what they have learned to address the needs that exist within our community.

School Mission Statement

Reinventing Options for Adolescents Deserving Success’ (ROADS) mission is to ensure that over-age, under-credited students aged 15-17 graduate from high school thoroughly prepared to excel academically, professionally, and personally. To achieve our mission, we create transformative high schools characterized by customized and rigorous curricula, socio-emotional support, and work-based experiences that foster student engagement and accelerate student progress.

School Mission Statement

In an effort to represent the community's prestige, the South Bronx Charter School for International Cultures and the Arts is a model of excellence providing its youngsters with a constructivist and child-centered curriculum. Our community, our parents, and staff are empowered to participate meaningfully in our school to strengthen its potential for success. Our intellectually challenging and standards-based curriculum is enriched by our international perspective, the arts, and our dual-language program. Our students receive a well-rounded education that uses the arts to promise excellence in all areas: cognitive, social, emotional, and moral.
