NEW YORK CITY MENTORING PROGRAM MENTORING RESOURCES

I. New York City Youthline

New York City Youthline is a confidential, toll-free telephone information and support service for young people, parents, service providers and community members. Youthline employs 14 to 21 year old "Listeners" who are trained and supervised by adult professionals to provide anonymous information and support to callers. Listeners assist callers in many types of situations: from youth-in-crisis, to family conflicts and relationship problems, to helping locate after-school and recreation programs in their neighborhoods.

II. New York City Department of Education's Office of School Health

The Office of School Health (OSH) is a joint program of the New York City Department of Education (DOE) and the New York City Department of Health and Mental Hygiene (DOHMH). Some of the health services and preventive services OSH provides to DOE students are in the following categories: asthma treatment, condom availability program, dental health, mental health, school-based health centers, and vision and hearing screening. The OSH website has a comprehensive listing of these services as well as information on other health related topics.
