Paraprofessional

### DESCRIPTION

The Urban Assembly School for Collaborative Healthcare puts students in the roles of healthcare professionals to develop the communication, collaboration, and problem-solving skills they will need to succeed after high school in college or career. By constantly applying what they learn in the classroom through healthcare themed cross-curricular project-based learning, students will develop the skills to pursue their goals and the character to serve their communities as healthcare ambassadors. The Urban Assembly School for Collaborative Healthcare invites paraprofessionals who are committed to being life long learners, and are dedicated, passionate, and driven to improve their practice to apply for the position of paraprofessional for the 2014-2015 school year. UASCH is ideal for paraprofessionals with the capacity to work collaboratively as part of a high functioning team focused on the success of our students.

- After school and/or Saturday tutoring, enrichment, sports, arts, and family programs
- In-house school committees and/or special programs.

*Advance notice of dates will be supplied, and those who participate will be compensated according to the terms of the UFT contract. Staff participation in these activities is voluntary, although strongly encouraged, as they are very important to the development of the school.*
