

ATTENTION: Current 2nd – 5th Graders

Lottery open to all students currently in grades 2 - 5

A **free**, five-week program designed to provide current 2nd through 5th graders with the opportunity to participate in an innovative, engaging, and fun summer learning program designed specifically around science, technology, engineering, and math (STEM). Students will solve engineering problems, invent solutions using littleBits and learn to code.

Program Dates

**July 7th – Aug 11th
Monday to Thursday
8:30 AM – 2:30 PM**

Program Locations

**Bronx: Fairmont Neighborhood School
Brooklyn: P.S. 006
Manhattan: P.S. 166 The Richard Rodgers School of
The Arts and Technology
Queens: P.S. 182 Samantha Smith
Staten Island: P.S. 069 Daniel D. Tompkins**

Features:

- ◆ Engaging, hands-on STEM activities that will prepare students for success in the upcoming school year and beyond
- ◆ Arts, recreational activities and trips to NYC cultural institutions
- ◆ Daily breakfast and lunch

To Apply - please use the online application!

- ◆ You can access the application from any device, including your smart phone – go to: <http://schools.nyc.gov/Academics/Science/NYCSummerSTEM>
 - ◆ If you can't access the online application, please contact your school's Parent Coordinator
- Applications must be received by: Friday, May 20, 2016**

DON'T DELAY – APPLY TODAY

Space in this free summer program is limited. Submitting an application does not guarantee placement in the STEM Summer in the City program. Should the number of applicants exceed the number of available seats, participants will be randomly selected from the pool of applicants. Students who are offered a placement in the program must commit to attending every day of the program.
