September 14, 2009

Dear Parents/Caregivers,

My name is Mr. Hyde, and I will be your child's Integrated Algebra Mathematics Teacher this school year. Your child's class will terminate in the New York State Regents Examination, which is required for graduation.

It is important to know that you, as parents, are the most important people in your child's life. I believe that it is imperative for parents and teachers to work together to provide the best education possible for each student. I encourage you to contact me if you have any questions or concerns regarding your child's progress in this class.

Enclosed you will find the class guidelines which include required materials for this class, grading systems, homework and attendance policies, class rules, etc. Please review this information with your child, sign the contract and return the bottom portion no later than Friday, September 11, 2009.

I believe that communication between parents and teachers is crucial. Feel free to contact me via e-mail at khyde@schools.nyc.gov. I check my e-mail regularly and can get a response to you in a timely manner. I look forward to a happy and successful year as we work together.

Sincerely,

Mr. Hyde
