

## Provider Assignment System

### Awaiting RSA

#### Assignment Status Values

The Assignment Status for a mandate in Provider Assignment will vary depending on the progress of the mandate through the provider assignment process. This document explains what each Assignment Status value means on the **Awaiting RSA** tab.

Assignment Status	Description
<b>Awaiting RSA</b>	An RSA should be issued for the mandate.
<b>Awaiting Independent Provider Confirmation</b>	If a mandate changes during the school year as a result of an Annual or Reevaluation, the independent provider will need to confirm their continued assignment to the mandate in Provider Assignment.
<b>RSA Created</b>	RSA documents ( <i>RSA-1, RSA-2, and Mail to</i> ) have been drafted and are ready to be completed by the DOE user and mailed to the parent/guardian along with the other required RSA documents.
<b>RSA Issued / Awaiting Independent Provider</b>	An RSA has been finalized and sent to the parent/guardian.
<b>Awaiting First Attend</b>	An independent provider has been assigned to the mandate; and the mandate is awaiting entry of a first attend date.
<b>RSA Disapproved (USER)</b>	The parent-selected independent provider was disapproved by the DOE. A new row for the mandate will be created by the system directly below this mandate with an Assignment Status of "Awaiting RSA".
<b>RSA Revoked</b>	The RSA was revoked by the DOE.
<b>Reason for Delay Needed</b>	A reason is needed for a delay in the entry of a First Attend Date.
