Believe Northside Charter High School provides high school students a small and personalized environment where they can flourish. Our college-going, youth development oriented culture provides students with opportunities for enrichment and intervention. Students are surrounded by a dedicated team of individuals focused on their academic, social & emotional success. All Believe Northside students are held to a high standard and all courses require a 70% passing, 5 percentage points higher than other DOE schools. Our Latin Foreign Language requirement and Classics focus instills in students, the discipline and linguistic foundation to master other critical coursework. Students from all over the City are encouraged to apply for a seat through our annual lottery.

Community Roots Charter School is a rigorous K-8 learning community where learning is embedded in meaningful real world context, where children are deliberately taught to see the connections between school and the world. Community Roots students will meet or exceed the New York State standards and be prepared to excel in the 21st century by being taught to be independent thinkers and to work productively within a diverse group of learners. At Community Roots students learn to combine curiosity with appropriate application, which leads to deep understanding and the confidence to take on challenges to become who they want to be.

The Hebrew Language Academy Charter School (“HLA”) will be a nurturing yet rigorous K-5 dual language school committed to academic excellence as well as to fostering a high degree of Hebrew language proficiency. At HLA, students will achieve a sophisticated knowledge of English Language Arts, mathematics, the sciences, and social studies. This rich and innovative curriculum will be enhanced by art, music, technology and physical education, all of which will incorporate Hebrew language instruction, using a partial immersion proficiency model. Students at HLA will develop a strong sense of social and civic responsibility through the integration of community service and service learning into their classroom studies.

Leadership Prep is about college and contribution. As an elementary school, we teach students the academic skills, knowledge and personal traits necessary to succeed in high school, college, and beyond. Through academic achievement, our students prepare to contribute as leaders in their communities. Our approach is based on the practices proven effective at the highest performing urban public schools in the country.

The Lefferts Gardens Charter School (LGCS) will utilize an environmental science program to develop academically motivated and civic-minded students to succeed in competitive high school and college programs. The proximity of several community-based environmental institutions, including the Brooklyn Botanic Garden, provides a unique opportunity for learning that extends beyond the classroom. Graduates of LGCS will leave with an understanding of the relationship among science, the environment, and the everyday world.

Summit Academy Charter School bridges the gap between aspirations and reality by preparing sixth through twelfth grade scholars to gain acceptance to, excel in and graduate from college by using three pillars of success: mastery of core subjects, character building, and community leadership. By engaging students in an academically rigorous, college-preparatory curriculum and supporting them in a community focused on high academic achievement and strong character building. Summit Academy prepares our young people to participate meaningfully in the greater economy and expand their choices and opportunities. Summit Academy develops academic excellence, instills character, and cultivates leadership.

TECCS is a safe and caring community where ethics, service, and social justice are the principles that inform every aspect of school life; where teachers lead and collaborate with students in a culture of rigorous academics and mutual respect; where analytical thinking and creativity are prized over learning by repetition; where children become individuals of integrity, insight, autonomy – and socially productive citizens, workers leaders. TECCS is an ideal school for children of families that embrace the ideals of ethics, service, and social justice together with a demanding, well-rounded education of academic studies and the arts. The greater the participation of the parents, the greater potential for the success of their children.

UD Team Charter School provides a college preparatory education for over-aged, under-credited youth. In addition to offering the rigorous academics necessary to obtain a high school diploma, UD Team offers social and emotional supports necessary to successfully pursue higher education and future employment. UD Team’s small class size and nurturing, inclusive environment will attract, engage, energize and retain students who have not succeeded in traditional school settings. Its unique sports, health and fitness program encourages the development of character, responsibility, sportsmanship and trust.

Williamsburg Charter High School provides high school students a small and personalized environment where they can flourish. Our college going, youth development-oriented culture provides students with opportunities for enrichment and intervention. Students are surrounded by a dedicated team of individuals at each grade level focused on their academic, social & emotional success. Our school within a school approach enables students to build a place within their grade community preventing anonymity. All Williamsburg Charter High School students are held to a high standard and all courses require a 70% passing, 5 percentage points higher than other DOE schools.

The mission of Williamsburg Collegiate Charter School is to prepare each student for college. Williamsburg Collegiate Charter School's educational program is based upon Three Pillars: 1) We believe that creativity flourishes within a structured academic environment. Good work cannot occur unless there is a safe and orderly environment in and out of the classroom. 2) We have high academic and behavioral expectations. High expectations demand significant amounts of extra support before, during, and after school and on Saturdays. 3) We know that without great teachers, nothing else matters. Teachers must have the time and professional tools and resources to do their jobs effectively.

Accountability Data

English Language Arts (ELA) and Math values reflect the percentage of students who performed at or above proficient. For more information about Accountability, please review the Introduction to this Directory.

	2010	2011	2012
Overall PR grade	A	A	A
ELA	59.8	60.8	61.1
Math	93	94.5	96.2

If a school has multiple PR grades listed for the same year, the second grade shown is for the high school.
