Dear Brooklyn Prospect, Sunset Park, and 75K371 Families,

A joint public hearing was originally scheduled to be held at Building K564 regarding the proposal to temporarily expand the co-location of Brooklyn Prospect Charter School in Building K564 on Tuesday, May 10.

After receiving public input regarding this temporary co-location proposal, the DOE has determined to postpone Tuesday's hearing. The DOE intends to re-schedule the hearing and will notify you of the new hearing date as soon as possible.

The notice will also provide the date on which the Panel for Educational Policy will vote on this proposal. We apologize for any inconvenience this may have caused.

Thank you.
