Department of
Education

It is the policy of the Department of Education of the City of New York not to discriminate on the basis of race, color, religion, national origin, citizenship/immigration status, age, disability, marital sex, sex, sexual orientation or gender identity/expression, in its educational program and activities, including Career and Technical Education ("CTE") programs and to maintain an environment free of sexual harassment, as required by law.

INTRODUCTION

HIGH SCHOOLS AT A GLANCE is designed to help you quickly identify high schools to which you would like to apply. On the following pages, you will find a comprehensive chart, organized by borough, listing every high school and its five most important features: program name, program code, interest area, selection method and directory page number. Here are more detailed descriptions of those five items:

- 1. PROGRAM NAME:** Each program a school offers has a distinct name, which must be included on your high school application.
- 2. PROGRAM CODE:** Each program has a distinct four-character program code, which also must be included on your high school application.
- 3. INTEREST AREA:** Each program has a specified interest area selected from the list below. In this publication, each interest area is assigned a separate vertical column, allowing you to quickly identify programs that share a particular interest area. The interest areas include:

Animal Science	Engineering	Law & Government
Architecture	Environmental Science	Performing Arts
Business	Film/Video	Performing Arts/Visual Art & Design
Communications	Health Professions	Science & Math
Computer Science & Technology	Hospitality, Travel & Tourism	Teaching
Cosmetology	Humanities & Interdisciplinary	Visual Art & Design
Culinary Arts	Junior Reserve Officer Training Corps (JROTC)	Zoned

- 4. SELECTION METHOD:** Each program will have its own selection method (listed in the column of the program's interest area). The selection methods are described below:

A

AUDITION: Programs that require you to demonstrate proficiency in a specific performing arts area. Audition requirements, dates and times for specific programs are listed in the High School Directory.

E

EDUCATIONAL OPTION (Ed. Opt.): Programs designed to attract a wide range of academic performers. Each program has a certain proportion of seats reserved for students from the high reading level, the middle reading level, and the low reading level (see below). From the applicant pool, half the students are chosen by the school administration and half are selected randomly. If you score in the top 2% on your previous year's English Language Arts reading exam and you list an Ed. Opt. program as your first choice on your application, you are guaranteed a match to that program.

EDUCATIONAL OPTION – SEAT DISTRIBUTION

- 16% in the high reading level
- 68% in the middle reading level
- 16% in the low reading level

4. SELECTION METHOD: *Continued*

- L** **LIMITED UNSCREENED:** Programs that give priority to students who demonstrate interest in the school by attending a school's Information Session or Open House events or visiting the school's exhibit at any one of the High School Fairs. You must sign in at these events in order to receive priority to the school's program(s).
- S** **SCREENED:** Programs in which students are ranked by a school based on a student's academic record, standardized test scores, attendance, and punctuality. Schools may also use other criteria to evaluate applicants such as an interview, essay or additional diagnostic test. You should review the selection criteria for each screened program listed in the program grid on each schools Directory page.
- T** **TEST:** Programs that require you to take the Specialized High Schools Admissions Test (SHSAT) for entrance. For the Specialized High Schools requiring the SHSAT, only the test scores determine eligibility.
- U** **UNSCREENED:** Programs for which students who apply are selected randomly.
- Z** **ZONED:** Programs that give priority to students who live in the geographical zoned area of the high school.
- 8** **CONTINUING 8TH GRADERS:** Programs open only to 8th grade students who are currently enrolled at a school with both middle and high school grades and who wish to continue to the high school.

5. **DIRECTORY PAGE:** Each school has its own page in the *Directory of the New York City Public High Schools 2010-2011*. To learn more about the programs listed in this publication, including their admissions priorities, course highlights, extracurricular activities and PSAL sports teams, please consult the page listed for that school in the Directory.

Also Consider...

SCHOOL PERFORMANCE: Visit the Department of Education website www.nyc.gov/schools to access many school statistics including the Learning Environment Survey Report, the Quality Review Report, the Progress Report and the Annual School Report Card.

ADMISSIONS PRIORITIES: The order in which applicants are considered for any given school. If you look at any school in the High School Directory, you will see a section called "Admissions Priorities" on the left side of the page.
